Cubs Brighten Yule At Center

FARMINGTON
The Christmas spirit was very much in evidence at the December meeting of Farmington Cub Scout Pack 362 held at Kenbrook School. The boys have been very busy making games, such as ring toss, hand puppets, checkers and bean bag games. These were all wrapped and placed under the Christmas tree.

They will be given to the children at the Hawthorn Center.

On Dec. 22, the boys and their families will meet at the school and go Christmas caroling in the neighborhood.

Several new boys have joined the pack, and as a result another den has been added. The new boys are Brian Beckwith, Greg Swan, Steve Maykovich, Jeff Hutchins, Greg Meklan and Gregg Rapp. The new den mother will be Mrs. Maykovich and her assistant will be Mrs. Hutchins.

The arrow of light, the highest award in Cub Scouting, was awarded to Steve Harris. He was welcomed to Troop 48 by his new scoutmaster, Glenn Black.

The following Cub Scout awards were given: Den 1 - Brad Tarrant, wolf badge, gold arrow; Den 2 - Carl Lang, two silver arrows; Scott Bennett, gold arrow, denner bar; Ron Bendo, one-year perfect attendance, one-year pin; Don Blaul, one-year perfect attendance, one-year pin, assistant denner bar; Craig Lazar, sleeve award for den chief; Den 3 - Mike Howley, recruiter badge; Jim Bendo, recruiter badge; Jonathan Ahlbrand, assistant denner bar; Tim Emmitt, denner bar; Walter Flood, bobcat; Den 6 - Peter Muscin, denner bar; David Hill, assistant denner bar; Den 9 - Jeffrey Hutchins, denner bar; Brian Beckwith, assistant denner bar.

Arrest Two Farmer Jack Employees

FARMINGTON
Two employees of the Farmer Jack supermarket on Farmington Rd. just south of Grand River were arrested Thursday on charges of malicious destruction of property.

Farmington City police found Robert Williamson of 36309 Paddleford in Farmington Township and Jackie Perry of Ypsilanti inside the store at 3:10 a.m. Thursday. The police reported the pair were attempting to break a hole in the cement rear wall of the building.

Check Braking Power First

Speeds that may be safe in summer are murder on ice and snow, warns the Michigan State Safety Commission. The distance required to bring a vehicle to a safe stop on slippery surfaces may be three to nine times that needed on dry pavement, according to the National Safety Council. Each morning check yourself with a few quickie stops before calling into the stream of traffic.

'Ridge' Pair Decorate Windows

FARMINGTON
Some store windows in Farmington were made brighter for the holidays this year with the help of Orchard Ridge Campus retailing students at the Orchard Ridge Campus.

As part of a class project, students were asked to help set up window displays in area stores for a learning experience. Among the students setting up the displays were Greg Smith of Detroit and Gloria Santelle of Birmingham. Both are freshmen in the retailing management program taught by John Fattel.

According to Greg, the assignment was given so that students would have the chance of working with commercial businesses in display coordination.

Pick Poppy As Symbol

North Farmington High School seniors recently voted on symbols for their graduation class.

Class flower is the poppy. Their song is "Come To-

gether." Colors selected are forest green and powder blue. Their motto, "Some people look at things that are and say 'Why?' I look at things that aren't and say 'Why not?'"

Gloria added that this type of experience was helpful because they learned different ways of setting up displays.

Before going to the commercial businesses the students were taught in class the fundamentals of informal and formal displays and were asked to set up displays in the campus bookstore.

The commercial shops supplied the students with all props and necessary equipment needed in completing the displays.

So, if you've been promising yourself you'll start saving someday soon, stop in at Manufacturers Bank today. When it comes to saving money, join the thousands who say, "Manufacturers...that's my bank."

May glamour abound with
