Now is the Time to Get Rid of These Ugly Spots, There's no longer the slightest need of celling ashamed of your freckles, as Othine-double strength—is guaranteed to remove -double strength-is guaranteed to remove simply set an ounce of Other-double strength-from your druggist, and apply a thould soon see that even the worst frechise have begun to disappear, while the lighter that more than one ounce is needed to completely clear the sain and gain a beautiful 25 sure to a key for the sain and gain a beautiful 25 sure to ake for the double strength Othics, as this is said under guarantee of manay back if it fails to women freckles.

tures gave befoe the foundation for "Robinson Crusee." The trading schooner, Queen Charlotte, pissing a small island of the Marquesas in the South sear, landed her boat to juvesting the south sear, landed her boat to juvesting the smoke of a fire, as it was understood the island was uninhabited. Here was found a Caited States sear, man, who had been put ashipe with the English citie was not successful the breadth of the mathod resource of their mentions planted. The three others had deed, but the man from Connecticut had contrived to live on the fish he caught, and the breadfruit, and occounts and other products which he could gather. When rescued after three years' londiness, his uneasits consisted of great shells, and two cups which he possessed, made from the skulls of his companions.

Out of Sight.

Too farmers were having an argument and a little bet as to which of them possessed the best wife—or rather, which wife mode the money of the farthest.

'I am surprised," said the first farmer, "how little my wife spends on household necessities. You come and stay with us for a few weeks, and see for yourself. You will soon see to how true my statements are."

"But with would be the root of the case of the three of the said of the contract of t

No Tides in the Great Lakes.
There are no recognized tides in the
Great Lakes similar to what occur in
the oceans for the reason that those
bodies of water are too small and
waves occur in one or more of
the lakes, due to atmospheric conditions, such as great differences in atmospheric pressure and the prevalence
of gales.

"Janet" Adopts Kittens

Lieur, Gen. Nelson Appleton Miles presenting a flag of the Lafayette post of the American Legion to Colonel Little, eq. mander of the Fifteenth-National Guird, New York's, famous colored regiment, at Central Park, New York.

"Janet," a mot key owned by Mrs. Mary F. Halpin, Astoria, L. I, "mothering" two of the faur kittens which she has adopted. The mother cat left the kits in Mrs. Hispin's graft and then disappeared. "Janet" found the thuy animals crying, picked them up and brought them into the house.

Biggest of Graduating Classes

The University of California graduated the largest class in the this year-1651. The photograph shows the procession of graduates the left, Dr. David P. Barrows, president of the university. Is "Something Doing" in Berlin?

Pierpont Morgan private li-brary in New York, the gold palm of officer of public histruction, in rec-ganition of services rendered to Prench art and culture.

OLD TIME FIRE ENGINE

This reproduction of the old powder house on Burial Hill, Plymouth, Mass, and the production of the old powder house on Burial Hill, Plymouth, Mass, or the American Revolution; A tabletant the right of the Gons of the American Revolution; A tabletant the right of the door bears he inscription: The old powder house was built here in 1700—1718 building, erected in 1920, is dedicated to those descendants of the Pilgrims by blirth or of the spirit win helped establish American Independence.

A Press Notice.

"Here, what do you mean by saying that the costumes of our chorus girls showed signs of wear?"

"They were somewhat, frayed."

"Weart didn't do it. It's the numerous changes."—Louisville Courier-Journal.

This photokiaph, snapped the other day in Berlin, shows General von Hin-denburg in conference with Hugo Stinnes, Germany's richest man, and Frau Stinnes. Most of the cyntury's largest industrial enterprises and many of its newspapers are controlled by Stinnes.

MUCH IN LITTLE

There are said to be more statues of Queen Victoria in existence than of any other person, man or woman, who ever lived.

Executation in Mexican ruins has revealed rounds paved with huge blocks of stone.

A sheep ranch in Alberta has been equipped with a motor substance described for the care of sheep, being able to carry can such patients at a time.

FELT LIKE AN IHUN BAND AROUND HEAD

Mrs. Osborne Says She Shudders When She Thinks How She Suffered.

When She Thinks How She Suffered.

"For years," said Mrs. V. R. Osborne, of 718 Lancaster Ave, Lexington, Ky., "I have been in a run-down condition; nervous, weak and dizzy. I was actually so nervous that any sudden noise or excitement would produce a publishation of my heart that trightened me. I absolutely could not climb stuirs, for to attempt such would thoroughly exhaust me.
"I had nervous headnaches and when they came on it seemed that an iron band was drawn tight around my nead. I now shudder when I think of those-headnaches. My stomach was weak and I could not digest the lichnest liquid food. Any food of a solid nature caused nausea and the sickening. "My misser was also made and the sickening of the country was almost unbearable. My sleep was never sound und I was worn out all the time. My condition was hadeed a very deplorable one. I finally sought treatment in Cincliniat, but nothing helped me one particle. I was on the verge of giving up in despair when a neighbor pleaded with mot torty Tanke. I obtained a hottle of the medicine and began its use. "I began improving at once and soon felt my nervousness and dizentess disappearing. Then my headnaches left me and I realized my strength-had returned. My appetite and digestion that proved and I am now so much hetter in every way. This Tanhe is a wonderful medicine and the only one that ever really shelped me. I hope every for the providence of the provid

Resigned the Vice Presidency.
The only vice president to resign
was John C. Calhoun, who gave up
the vice presidency to become a United States senator.
