FRANK CHAFY.

The community was shocked Sunday evening by the sudden death of Frank Chafy by drowning while swimming in an abandoned gravel pit west of the village on Grand River Avenue. He is thought to have been seized with cramps, and went down before assistance could reach him.

He has been making his home with L. F. Salow and family for the past ten months. He was a boy of fine character, loved by all who knew him, and he leaves a host of friends who mourn his untimely death.

He was born July 18, 1898, and leaves two brothers, Sam and Warren Chafy of New Hudson and one sister, Mrs. Frank Murphy of Toledo, Ohio, his father and mother having passed away several years ago.

The funeral was held at the home of the brothers Wednesday. The family have the sympathy of the entire community in this sad bereavement.

NOTICE.

There will be a lawn social at Mrs. Barney Tuck's for the benefit of the Livonia Center church, Wednesday, July 13th. Everyone cordially invited.

W. M. NELLIS.

CARD OF THANKS.

We wish to thank those people who so kindly sent flowers and expressed their sympathy in our late bereavement, in the death of Frank Chafy.

Proposed Theatre and Mercantile Building for the corner of Grand River Avenue and Grand Boulevard with a frontage of 419 feet on Grand River Avenue

Join with Us in Erecting this Magnificent Theatre Building and Share in the Profits

The Northwestern Building Corporation holds under a 99-year lease, with a purchase privilege, the entire block bounded by Grand River Avenue, Lothrop Avenue, Dexter Boulevard and Grand Boulevard. The history of the property represents in a greater degree than any other single piece of property the wonderful development of Detroit.

THEATRE WILL SEAT 3,500

Detroit theatres have been such tremendous money makers that the whole theatrical world has talked of it. Our theatre in our location should break all records. We have practical theatre men on our directorate. Our directors and stockholders are among the most reputable men of this great city of ours. Our building was virtually rented before the blue prints were dry. Our total capitalization is \$300,000—all common stock—and we are offering \$225,000 for sale at \$10. par value. Men who build and own theatres figure anything less than a 25 per cent return as wasted effort. Such a prospect makes our stock the choicest offering in the market.
