Simply. But it is Not So.
The art of art, the glory of expression and the sunshine of the light of letters, is simplicity.—Walt Whitman.
Jud Tunkins says life would be perfectly pleasant if it was as easy for human nature to forget resentments as it is to forget obligations.

"Ouija! What's the good word?"

MY YOUNG sister,
HAS A Ouija board,
AND SHE believes it,
AND TALKS to Noah,
AND I think she talks,
TO HER best fellow,
WHO'S DEAD but doesn't know it,
AND I used to give her,
THE LOUD, rude laugh,
BUT I'M sorry now,
BECAUSE LAST night,
I WAS home alone,
SO I got the board,
AND PUT in a call,
FOR JOHN Barclaycorn,
AND OTHER departed spirits,
BUT THE line was busy,
FOR NOTHING happened,
THEN I cheated a little,
AND IT spelled this:
"GRAMMASHOTTA SEVEN."

SO I shut off quick,
TO HEAD off any,
FURTHER FAMILY scandal,
THEN I stopped to smoke,
A CIGARETTE,
AND AFTER a while,
I CRANKED up weesie,
AND ALL of a sudden,
IT STARTED off,
AND QUICK as a flash,
IT SAID something,
"THEY SATISFY!"

"SATISFY"—that's the good word. Just light up a Chesterfield and see what experts can do with fine Turkish and Domestic tobaccos when they bid them in that can't-be-beat Chesterfield way. You'll say "they satisfy."

Did you know about the Chesterfield package of 10?
