### Cleanes the Mouth.

Canned tomatoes and fruit juices are splendid stimulants to the mucous membrane and salivary glands of the mouth, and the former is also a notable antiseptic when swallowed. Vinegar, produced from either wine or cider, when well diluted with water, is an excellent mouth and teeth cleanser. Tooth pastes and dentifrices are not so popular in Italy, Spain and France as in the United States, wine being preferred as a mouth lavage.

## "I smiled- and he shot me"

AFTER MONTHS and months. MY WIFE persuaded me. TO HAVE it done. SO I went around. TO THE photographer. AND GOT mugged. WHEN THE pictures came. I SHOWED them to a gang. OF AMATEUR art critics. AND PROFESSIONAL crabs. DISGUISED AS friends. WHO FAVORED me. WITH SUCH remarks as. "DOESN'T HE look natural?" "HAS IT got a tail?" "A GREAT resemblance." AND THAT last one. MADE ME sore. SO WHEN friend wife. ADDED HER howl. I TRIED again.

THIS TIME they were great. FOR HERE'S what happened. THE PHOTOGRAPHER said. "LOOK THIS way, please." AND HELD up something. AS HE pushed the button. AND NO one could help. BUT LOOK pleasant. FOR WHAT he held up. WAS A nice full pack. OF THE cigarettes. THAT SATISFY.

LIGHT up a Chesterfield and sense the goodness of those fine Turkish and Domestic tobaccos in that wonderful Chesterfield blend. Taste that flavor! Sniff that aroma! You'll register "They Satisfy." You can't help it.

Did you know about the Chesterfield package of 10?

### To Clean Fur.

Take a stiff bristled hair brush and wash. When thoroughly dry cover with absorbent cotton. Brush the fur gently, but firmly, always going the way the fur lies. If the cotton becomes soiled, put another piece on. When finished, shake the fur well to make it stand up.
