FARMINGTON, MICHIGAN, FRIDAY, SEPTEMBER 9, 1921.

5 Cents Single Copy. \$1.50 A YEAR.

## Charles Ely Sees Great Future Growth of Farmington

Roads and Transportation are Improving

"FARMINGTON WILL BE BIG CENTER," HE SAYS

One of the leading business men of the township, Mr. Charles Ely, stated, "Farmington will have a steady growth due to her location. For many years it has been impressed on my mind that this community should be more of a business center. In the last five years many new roads have been built which lead to the village of Farmington and many newcomers have built homes here. This means that more buying power is concentrated in this area and many new business men will locate here because the trade is alive to the fact that many new enterprises should take advantage of the local market. There are many articles of merchandise which are now purchased in Detroit, but I look to the future and feel that in a short time many merchants and tradesmen will establish business here. Several of my out-of-town business friends have spoken to

me of the advisability of moving to Farmington, and I have told them without reservations that there was an excellent field here.

With the growth of Detroit, Farmington ten years hence will be a thickly populated town with the business streets lined with stores. As an example of the growth of the community, the Peoples State Bank for example, which was organized in nineteen hundred and seventeen, to-day, this bank is one of the leading financial institutions in Oakland County. Our bank has grown with the community and reflects the growth of the community.

"One of the best means of gauging the increase of population and of gauging the future is the subdividing of lands adjacent to Grand River Ave. Practically all the property east of the Junction is subdivided or on the market. In other words Detroit has already grown along Grand River Avenue to the village limits of Farmington. It is natural and logical to assume that Farmington with a complete educational unit; with good water and with sewers and available building lots will soon increase rapidly in population. As a matter of fact look at the larger number of homes and buildings that have been erected here in the last six months and possibly in the next two years we will have a building boom."

In vitation is extended to the public.

### North Farmington

10:15 a. m.—Preaching Service.  
11:15 a. m.—Sunday School.

E. M. HOLLIS  
Adv. Northville, Mich.

## New Automobile Company Organized Here

New Equipment Will Be Installed

ASA KAHRL JOINS EDWIN TAMM

Wednesday saw a change in automobile row of this village in the way of a new firm. Asa Kahrl, a well-known Farmington man, having purchased Fred Newman's interest in the Newman and Tamm firm. Mr. Newman has not announced his future plans as yet.

Mr. Kahrl said, "We now have an excellent corps of mechanics and with the new equipment which we have ordered, including a lathe and a press, we will be able to render the quickest service."

Mr. Kahrl has specialized in rear axle work on heavy duty trucks, having worked in the axle department of the Packard plant.

## Old Timers Stage Come Back at Northville

Harry German Plays His Half Century Stars

INTEREST DISPLAYED IN NOVEL LINE-UP

On Saturday afternoon Northville will stage rather an unusual ball game at the Northville ball park. A ball club under the management of Harry S. German has selected a team of Old Timers who are still in the game and whose average age is about forty five years.

Their opponent will be the Forester club of Northville, who have won nearly all their games this summer, and who sent the Old Timers a challenge for Saturday.

Most of the old players are well known here and the battery will be an even 100 years old. German 46, and Bowerman 54 years. The other players are Hantz 49, Curtis 50, Dingwell 38, Smith 35, Ostrander 43, Sims 41, Moffit 43, Henderson 46, and Durham 47. These players will come from Plymouth, Wayne, Romulus, Detroit, Northville, Durand, Redford and Farmington.

Harry Robinson of Plymouth, will act as one of the umpires.

Mr. and Mrs. Henry West and baby and Mrs. M. Ryder and children, motored to London, Ont., to Mrs. West's sisters, Mrs. Russell McQuiggan.

## Ford Prices Cut To Lowest In Companies Career

New Prices Mark New Era in Motor Car Production

EDSEL B. FORD MAKES ANNOUNCEMENT

Mr. Edsel B. Ford, President of the Ford Motor Company, makes the following announcement:

"We are making another reduction in the prices of Ford cars and the Ford truck, effective at once. The new prices average \$70.00 under former prices, and are lowest at which Ford cars and trucks have ever been sold. List prices, F.O.B. Detroit, are now as follows:

Chassis—\$295, \$50 off; Runabout \$325, \$45 off; Touring \$355, \$60 off; Truck \$445, \$50 off; Coupe \$595, \$100 off; Sedan \$660, \$100 off.

"This is the third price cut during the past twelve months. On September 22, 1920, the price of the Ford touring car was reduced from \$575 to \$440; June 7th to \$415, and now to \$355, making a total reduction in this type of \$20, or 38 per cent. The same proportionate reductions have been made in all other types. One year ago the price of the Ford Sedan was \$975; today it lists at \$660 with the same equipment.

"We are taking advantage of every known element in the manufacture of our products in order

that we may give them to the public at the lowest possible price and by doing that, we feel that we are doing the one big thing that will help this country into more prosperous times. People are interested in prices, and are buying when prices are right.

"The production of Ford cars and trucks for August again broke all previous high records with the total reaching 117,696. This is the fourth consecutive month in which our output has gone over the hundred thousand mark, the total for the four months being 463,074, which has gone a long way in making possible the present reductions. June of this year with an output of 117,247 was the previous record month.

"One noteworthy feature of our sales is the increased demand for Ford trucks and cars for salesmen. This class of commercial business has been gradually increasing the past sixty days and we interpret it as a very good sign of improvement in general business."

"No reduction has been made in the price of the Fordson tractor, and none is contemplated."

The J. L. Hudson Male Quartette Which Sings in Town Hall Sept. 17

## Base Line News

School started in the Thayer school Tuesday with Miss Wilson of Wayne, as teacher.

Mr. and Mrs. James Buckley spent Sunday and Monday at the former's parents' summer home here.

Dancing—Cenauqua Shores, at Walled Lake on Wednesday, Friday and Saturdays. Jimmie Caldwell's Orchestra. 311/adv

## MICKIE SAYS—

A SMART BUSINESS MAN DON'T ARGUE WITH TH' PRINTER ABOUT PRICES, BECAUSE IF TH' PRINTER GITS WEAK-MINDED ENUFF TO QUOTE A CHEAP PRICE, HE WILL MOST PROBABLY DO THAT KIND OF A JOB!

## Thrilling Auto Race Finish At State Fair

Some of the speediest drivers in the dirt track auto race game, including Louis Diabrow, will compete in races held on the fair grounds Sept. 3, 4 and 11, during the state fair, which opens Sept. 3 and closes Sept. 11. Alex Sloan and Ralph A. Hankinson, veteran race managers, will have

the pick of talent entered for special purses offered for speed records and distance races. In dirt track circles the Michigan State Fair mile track is recognized as one of the best in the country and drivers of the fastest cars are anxious to try out their mounts in the effort to set new marks there. They will

have their opportunity during this meet at both sprint and long distance racing. All races will be conducted under the rules and regulations of the I. M. C. A. Games of auto polo between picked teams will feature the programs on each day of auto racing.
