Varro's Aviary.  
Varro, author of a famous book on agriculture, lived in the Ciceroan age. He built a model aviary, with fish ponds, and duck houses enclosed by dice gut settings. Similar netted spaces housed blackbirds, nightingales and other song birds. A little channel furnished fresh water, and food was introduced beneath the nets. Scientific American.

Where Reasonableness Ended.  
"Reasonable puppies," advertisement in dog advertiser. Did you ever see a puppy that was reasonable when he got hold of your Sunday hat? adv.

## Local News

Mrs. Fred Osborn of Detroit, spent the day last Friday with Mrs. Nathan Power.

An oyster supper was served by the Ladies Aid Wednesday evening at the home of Dr. Holcomb. Mrs. W. A. Walter of Plymouth, spent Sunday at the home of her son, C. H. Walter.

Get your winter vegetables; also some fine cakes, pies and home-made candy, at the M. E. Bazaar. adv.

# AUNTY CLAUS SAYS:

You know folks it isn't so much the gift as it is the Giver.

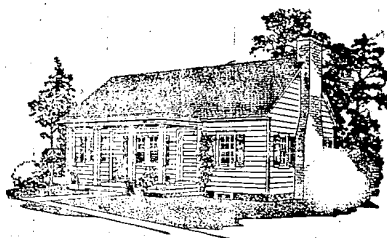

A pretty little gift will warm a heart as much, at Christmas time, as a present 10 times as expensive.

There is no need to worry.

If your gift list is a long one. There are hundreds of practical and acceptable gifts here priced from 29c to 95c that will carry your kindly Yuletide thoughts to Mother, Father, Sister or Brother.
