THERE'S MONEY IN EGGS

Fresh eggs will be bringing a big price all winter

There are Eggs in good poultry feeds.

If you will cull your flock and feed either the Globe,
Succene, Krause or Common Sense brand of Poultry
feeds according to directions, you will get more eggs
than on anything you ever feed.

THE FIRST CHRISTMAS

Birth of the Christ Child An-
nounced by Angel.

Good Tidings of Great Joy to All the
People in Coming of
the Savior.

NOW it came to pass in those days,
there went out a decree from
Caesar Augustus, that all the world
should be enrolled. This was the first
enrollment made when Quirinius was
governor of Syria. And all went to en-
roll themselves, every one to his own
city. And Joseph also went up from
Galilee, out of the city of Nazareth,
into Judaea, to the city of David, which
is called Bethlehem, because he was of
the house and family of David, to en-
roll himself with Mary, who was en-
gaged to him, being great with child.
And it came to pass, while they were

there, the days were fulfilled that she
should be delivered. And she brought
forth her first-born son; and she
wrapped him in swaddling clothes, and
laid him in a manger, because there
was no room for them in the inn.
And there were shepherds in the
same country abiding in the field, and
keeping watch by night over their
flock. And an angel of the Lord stood
by them, and the glory of the Lord
shone round about them; and they
were sore afraid. And the angel said
unto them, Be not afraid; for, behold,
I bring you good tidings of great joy,
which shall be to all the people; for
there is born to you this day in the
city of David a Savior, who is Christ
the Lord. And this is the sign unto
you: Ye shall find a babe wrapped in
swaddling clothes, and lying in a man-
ger.

And suddenly there was with the
angel a multitude of the heavenly host
praising God, and saying,
Glory to God in the highest,
And on earth peace among men in whom
he is well pleased.

Goldenrod Unjustly Blamed.
The adoption of the goldenrod as
the national flower of this country
has been opposed on the ground that
the pollen of this plant is a cause of
hay fever, and hence nothing ought
to be done to encourage its prevalence.
Medical experts, however, say "Not
guilty."
