Santa Claus,

c/o Farmington State Savings Bank

Farmington, Michigan.

Dear Old Kris:-

I think "the missus" deserves a REAL Christmas present this year.

Can you think of anything she would appreciate more than her own Savings Account - a real nest egg that she could add to regularly.

She has a lot of dreams tucked away in her head of things she wants to do, so if I give her a little start I'll bet she will save enough to make those dreams come true. Bless her heart, I should have done this long ago.

Please open a Savings Account for her with the enclosed check and hang the pass book, with my card enclosed, on our Xmas tree.

## OLD YULE EVE CAROLS

"Holy Night" is regarded as One of the Most Beautiful Songs.

"Draw Nigh, Immanuel," One of the Oldest Pieces in Far Ante-dates Any Others.

THE ancient Christmas carol, "Holy Night," is German in its origin and is considered by many to be the most beautiful of all Christmas carols. It has sometimes been ascribed to Martin Luther, but the consensus of expert opinion is that it is much older than his time and is one of the oldest of German folk songs.

The carol "God Rest Ye Merry, Gentlemen," is English in its origin and dates back to about the beginning of the Seventeenth century, although the author of the words and the composer of the music are not known. The old melody, "Aye, aye," to this poem possessess all the high qualifications of a sterling tune and will probably last as long as the verses with which it is always as associated.

The carol "Draw Nigh, Immanuel," is one of the oldest pieces of coherent music in existence, and both the words and music far antedate any of the others. The music is an old French melody, taken from the Thirteenth century, although, of course, it has been harmonized to conform with more modern standards.

There is a most curious but beautiful musical effect at the close of this carol. The words of "Draw Nigh, Immanuel," are about 100 years older than the music, being taken from the Mozarabic breviary of the Twelfth century, and it is generally believed that they were taken from the Liturgy of the early Christians at Toledo, Spain, where the Mozarabic breviary was for a long time in use.

Another carol, "The First Noel," has traditional French melody and probably originated in Britain, although the exact origin of this fine old song is somewhat in doubt.
