

## Community Enterprise

The growth of this bank has been due to the development of the business enterprises dealing with it.

As farming is one of the principal enterprises in this community, we have made it a point—in the farmers' behalf—to interest ourselves in drainage, soil fertility, high grade seed, pure bred stock, etc.

This community bank is always ready to talk with the farmers regarding the development of farm business.

What can we do for YOU?

**Farmington State Savings Bank**  
Farmington Mich.
