

# Safety---Service

Continued conservative management, rigid adherence to banking laws, and ample capital and surplus have made this institution deservedly known as a safe bank. Unfailing courtesy and the constant endeavor of officers and employees to anticipate the customers' wants won for it also an enviable reputation for helpful service.

**Farmington State Savings Bank**  
Farmington Mich.

No. 151 P.M.A.M.  
Regular meetings on Saturday nights on or before the full of the moon.

## Local News

Bert Foster of Redford, was a caller in Farmington Friday evening.

Garden making and care of same is a part of the care of business of the urban dweller these days.

Otis Jensen, the jolly Clarenceville blacksmith, was transacting business in Farmington Monday.

They say fishing at the lakes is good, and that some fine specimens of the finny tribe have been taken so far.

Henry Lee has improved his residence property this week by the construction of concrete steps and walk.

Look up the Jones fire sale ad on page three. Never have you seen the bargains offered in Farmington. Adv.

Since the trees about the village have leaved out practically all damage to them by the ice storm are hid from view.

George I. Cook, the village smithy, has made good since coming to our village and owns his own home which he is improving continually.

The local office of the Detroit Edison Co., was a busy place Monday. "Trade" was very good as it was the last day to pay electric bills, at par.

At an early hour Sunday morning in fact at a very early hour, people commenced to tour thru here on their way to the lake in cars filled to capacity.

Robert Roberts, until last week a member of the state police organization, was in the village this week calling upon friends, and he has many of them here.

The farm crops in this locality are looking pretty fair tho there has not really been a sufficient amount of rain since the crops were planted, at this time, Monday.

In another part of this issue will be found the statements of our two banks. By carefully studying them you will note the financial condition of the community is good.

At one time Saturday evening there were over 100 cars parked on Grand River avenue in this village and the different business houses were thronged with purchasers of their wares.

The F. M. Warner dairy herd of 74 cattle was tested for tuberculosis last week and only two were condemned. This is the third time the Federal authorities have tested this herd.

While engaged in moving a piano out of the Hutchins home Monday, one of the Wolfe brothers was nearly overcome by the fumes from a fumigator but by breaking a window he was able to get out.

The senior prom to be given by the senior class of the Northville high school will be held in the high school gym Friday evening, May 25. Finzel's orchestra has been engaged and a good time is promised.

T. H. Carson, "Scotty," the Farmington baker purchased the residence property of Bert Hutchins. This not only indicates prosperity on the part of Mr. Carson but that he proposes to be a permanent resident of Farmington.

It is estimated that fifty million people have read "Lavendar and Old Lace," Myrtle Reed's charming novel which has been made into a screen picture and will be shown at the Methodist church community hall next Tuesday evening.

Excavation on the rear portion of the lot to be occupied by the new Peoples State Bank building will start at once and the matter of building the new banking houses will be pushed right along as fast as possible until completed. Another substantial improvement for Farmington, the Home Town.

"Law Enforcement" is one of the great questions now before the American public. The question will be discussed at the M. E. church next Sunday morning by Dr. Philip H. Hembel, professor of English language and literature of Albion college. The public is invited to hear this leader in public affairs discuss the question.

## Air-Way

ELECTRIC CLEANER

### Light Weight—An Air-Way Advantage You Will Appreciate

Ask any woman who has used the new Air-Way Cleaner to give you an opinion and she is sure to tell you enthusiastically about its lighter weight. For weight means work—especially in carrying up and down stairs, moving from one room to another, taking out and putting away in the closet, etc.—and so it is not surprising that those women in particular who have used our cleaners should so strongly endorse the light, simple, easy-running Air-Way that does so many more things with so much less effort.
