MAIDVILLE CAMP OPENED MONDAY

36 Girls on Hand to Enjoy Ten Days' Vacation at Elizabeth Lake

The councilors in charge of Y. M. C. A. Camps, Maidville and Boyville, at Elizabeth Lake, will meet at dinner at the camp Monday afternoon to complete the program for the Oakland County school girls' camp to be held June 26 to July 8.

Preparations will be made to accommodate about 40 girls, but the capacity of the camp is 60, and if more registrations are received before Monday there will be no difficulty in altering plans now in progress.

So far 36 girls have registered, according to officials of the Y. M. C. A., 30 of them from Pontiac and district, and six from Birmingham and district.

Walter Hinds of Detroit, director in charge of the camp, made things ready in the camp for the girls who had their first meal in camp Monday noon.

Miss Ruth Kimball of Pontiac, will be director in charge of the program. Miss Sophia Eaton of Pontiac High school, will be swimming and life-saving instructor, and Miss H. Wilson of Birmingham will be athletic instructor. Mrs. J. W. Young of Pontiac, and Mrs. E. M. Erskine of Birmingham, will also take part in the daily instruction program being arranged for the girls.

Hurricane Service Ready

To Flash Prompt Warnings

"Be" alert and ready to distribute warnings, is the gist of the instructions sent by the weather bureau, United States department of agriculture, to all its South Atlantic and Gulf coast stations, in preparation for the hurricane season, which is about to open. Although August, September and October are the critical times, hurricane are a menace to shipping in these waters from June to November. The bureau exerts every effort to prevent destruction to life and property at sea and ashore by broadcasting warnings of the approaching storm.

Jersey Breeders Hold Meet.

Greater interest in Jersey cattle in Michigan is the aim of a series of county meetings being held over the state from June 26 to July 8. The meetings are to be held in the form of county fairs and picnics, with R. T. Lee, field man of the American Jersey cattle club, and an extension specialist from the Michigan Agricultural college in attendance.

"There are more than 2,000 farms in the state on which Jerseys are kept, with a total of more than 8,000 animals," says H. E. Dennison, of the M. A. C. dairy department. "The meetings have been planned by the Jersey men so as to reach as large a percentage of the breeders as possible."

Renewed interest in Jerseys is expected to result from the county meetings. Jersey breeders have felt in the past that their breed had not been given the emphasis and support in the state which it deserves.

Sheriff Butler Praises Jail Camp

Sheriff James S. Butler invites the public to visit and inspect the Oakland county jail road gang camp located on M 87, about six miles east of Holly.

The camp is a model of cleanliness and sanitation, the sheriff says. All refuse is carefully disposed of and the interior of the bunk wagon and the cock wagon shine as brightly as the kitchen of any housewife in the state. The linen, blankets and all other equipment are scrupulously laundered.

Mr. Butler expresses great pleasure at the manner in which the camp is being conducted.—Holly Advertiser.

Dr. Beresford, on Saturday, was in Holly where he officiated at the funeral of Mr. John Brannack, father of Dr. A. L. Brannack of Pontiac.

Prompt Action Necessary.

Oakland county motorists are warned in a bulletin received today by the Oakland county automobile club from the secretary of state that they must have certificates of title to their machines by July 1st.

The warning is sent out because of the provisions of Act No. 46, known as the certificate of title law, which provides that "no certificate of registration on any vehicle or number plates therefor, whether original issues or duplicate issues, will be issued by the secretary of state unless the applicant shall, at the same time, make application for and be granted an official certificate of title, or the applicant shall present satisfactory evidence that such certificate covering the motor vehicle has been previously issued to the applicant."

All applicants for transfer of license plates must have these certificates when making application after July 1st. It applies to trucks as well as passenger vehicles.

Hough-Cow

A very pretty home wedding occurred at the home of Mr. and Mrs. Chas. T. Cow Saturday, June 24th, when their only daughter, Mona Margaret, became the bride of Mr. Gordon Damon of Detroit. A. L. Hough of Detroit performed the ceremony. The bride wore a very pretty dress of flesh colored crepe-de-chine and carried a bouquet of lilies of the valley and brides roses. The only out of town guest beside the immediate family was Miss Albertine Cardwell of Detroit. After many congratulations and a shower of rice they left by boat for Ohio, from there they will motor to New York and Wash., D. C.

New Paved Way Benefits Motorists

Thomas Lytle, member of Oakland county road commission; "The new paved road being started by the Wayne county road commission on the west line of Greenfield township, south from the Seven Mile road, will be a benefit to Oakland county motorists, as it will furnish, when completed, an other paved route into the west side of Detroit by way of Southfield road and the Seven Mile road."—Pontiac Press.

NOTES OF THE CHURCHES

THE METHODIST PARISH.

—Farmington—

10:30 A "Thousand Voices and a Thousand Faces."

11:30 Everybody's Sunday School.

7:30 "The Best Things," Sidney D. Eva, Pastor.

At 7:30 Dr. Ford's sermon subject is: "There is no Mountain so high nor Force so great as to stop the flow of the River of Influence, in its Unmoved Course."

Salem Evangelical Church.

Sunday at 10:30 a. m. English services.

11:45 a. m. Sunday school.

Friday at 8:00 p. m. Choir rehearsal.

Clarenceville Immanuel Church

Next Sunday at 2:00 p. m. German services will be held at the church.

COTTAGES DESTROYED BY FIRE

Two Summer Homes at Walled Lake Burn to Ground—Oil Stove Reported Cause

Two cottages in the grove at Walled Lake were burned to the ground recently. The fire started in a cottage owned by George Purford of Detroit, and was reported to have been caused by an oil stove explosion.

The George Hawkins cottage, next door, caught fire and also burned to the ground.

The roof of the F. J. Schmidt cottage was covered with rugs and blankets which were kept well-soaked with water and was only scorched slightly.

The Farmington fire department was called and went at once, but the fire was nearly extinguished before they arrived at the scene, as volunteer bucket brigades were numerous and effective. However, they proved their efficiency to such an extent that a petition was circulated for the formation of a fire department at Walled Lake, which was largely signed. One young man was overcome by the smoke and it was nearly an hour before he was restored to consciousness.

Many To Attend Summer Schools

A. L. Craft, county commissioner of schools: "More than 75 Oakland county teachers will attend summer school this year, starting Monday, June 26. They will take their courses in Detroit Junior College, Michigan State Normal in Ypsilanti, the Ferris Institute at Big Rapids, M. A. C. or the University of Michigan—Pontiac Press.

Island Lake Popular Resort.

Gov. Groesbeck is personally supervising the work of putting in condition for the resort season the new state park at Island Lake, two miles east of Brighton on the trunk line highway between Detroit and Lansing. The Pere Marquette's Detroit-Grand Rapids division has a flag station at the lake.

Large comparatively new building, originally intended for a summer military school, is being converted into a casino with a screened two-story portico overlooking the lake. The roads thru the park and from the main highway have been rebuilt and widened. In addition to the existing buildings bathhouses are being constructed and some 40 rowboats placed on the lake. The bathing beaches are soft gravel bottom. A hotel has been opened up in the park and there's a field for tennis and base ball. It is estimated that 10,000 people can be comfortably accommodated at the park in a single day.

The governor is there twice a week, incidentally goes in swimming every trip, whereupon, one old settler recalls that he is not the first governor to swim in the lake. He mentions that when Gov. Alger was governor, 1885-86, he attended the National Guard encampment which up to the Spanish war in 1898, was held annually directly across the railroad tracks, and swam out to one of the small islands.—Detroit News.

Hammond Girl Brought Here.

Miss Irene Hammond, who was seriously injured in an auto accident a couple of weeks ago, is gaining as fast as can be expected.

She was brought to the home of Mr. and Mrs. Frank Alyn at the Junction in the Farmington ambulance Monday. She will be obliged to wear a cast for about six weeks, but the main treatment now is to be kept quiet. Mrs. Alyn is caring for her.

Mrs. John Johnson Taken Ill.

On Thursday evening Mrs. John Johnson sprained her ankle and tore the ligaments loose, in getting out of an automobile. And on Friday she was taken with appendicitis and rushed to a hospital for an operation. At last reports she was doing nicely. It is hoped by her many friends that she will soon be able to return home.

Northville to Celebrate.

Northville will celebrate the glorious Fourth with a base ball tournament and race program in the afternoon. There will be three racing events and Northville and Pinckney will play ball. During the forenoon there will be a band concert, and street sports of various kinds and immediately after noon there will be an automobile parade.

In the evening there will be a free dance on the pavement and the day's festivity will close with a fine display of fireworks.

The people of this section are invited to spend the day and evening at Northville. They will be assured of a good time.

Stores To Close Early.

The following stores will close at 6:30 Tuesday's and Thursday's during the months of July and August.

- F. J. Cook & Co.
- Farmington Hardware Co.
- E. C. Grace Store.
- E. U. Farmer.
- Thomas H. Carpan.
- H. A. Schroeder.
- A. & P. Tea Co.
- H. Habermehl.
- Lee Hardware Co.
- Herman Maas.

LOCAL NEWS

Mrs. E. C. Grace building a cottage at Walled Lake.

Blake Northrop went Friday at the home of Frank Bradley.

Mrs. E. F. Holcomb left Wednesday for a couple of weeks at cottage.

The Amicus club will meet with Inza Newman on Friday, July 7th.

Rev. Bollens visited his daughter, Mrs. C. M. Stovcock and husband at Gary, Ind., while away last week.

Mrs. Byron Watson of Detroit called on her sister, Mrs. Leon Green Saturday evening.

Mr. and Mrs. John Gibson of Flint are spending a few days this week with Forest Pearson and wife. Forest Pearson and guests spent Tuesday with the formers daughter, Mrs. Jay Baker and husband at Northville.

Mrs. Wm Hart and daughter of Scottville, are visiting her brother and sisters, at present she is at the home of Fred Garnow.

Mr. and Mrs. John Cook of Capac, Mr. and Mrs. John McClure and son Charles of Denver, Colo., were guests Thursday at the home George Cook.

Mr. and Mrs. Harry Stoffin celebrated their wedding anniversary at the home of their daughter, Mrs. James Perry at Redford, Sunday.

Win-Ringle spent a week with Rev. Bollens at S. Bend, Ind. Mrs. Ringle stayed with her sister Mrs. Bertha Grot at Plymouth during his absence.

Mahlan Budgey and Geo. Kaphl are spending a few days at Silver Lake, with the other member of the graduating class from the Northville High school.

Mr. and Mrs. Forester Crow and family and Mr. and Mrs. Fitzgerald and Mr. Cecil Hackery, all of Detroit spent Friday with Mrs. F. L. Crow of Adams Ave.

Don't forget the picnic given by the Evangelical church on Saturday, July 1st at Walled Lake. Arrangements have been made for all sorts of amusements: boating, bathing, races, etc. Spend a day with us out in the p. m.

Miss Evangeline Bradley with a party of Detroiters aided on the S. S. LaTouraine Thursday for a special 10 weeks European tour the party will visit Paris, the Pannish play, Italy, Switzerland and Great Britain, returning to Detroit about the middle of Sept.

The trustees of the Universalist church, last week, held a most important meeting. Plans were considered and approved to make many alterations to the Universalist church of Farmington—to provide conveniences, and facilities for the social activities of the parish. The altered situation of the church and the growing needs of the parish make it changing necessary. The work will begin early in the fall.

NEW FEATURES ADDED TO CIRCUS

Ringling Bros. and Barnum & Bailey Bring Shipload of Novelties From Europe

Made even more tremendous than in 1921 by the recent addition of many more trained wild animal displays and the purchase of Europe's biggest horse show, Ringling Brothers and Barnum & Bailey combined will exhibit at Detroit, July 17 and 18.

All who glance over the cable news or who read the magazines must have noted the many contracts entered into by the Ringling Brothers for foreign talent last winter. A special ship was chartered this spring to bring the hundreds of human performers, trained animal acts and equine displays to America. More than a million persons saw the mammoth new circus of 1922 during the weeks that it exhibited in Madison Square Garden, New York. Now this marvelous exhibition is touring the country aboard five great railroad trains. It is a third bigger than the Ringling Brothers and Barnum & Bailey show of last season. It is ten times larger than any other circus now on tour.

Big as it is this wonder circus of 1922—with its more than 20 trained wild-animal displays in steel arenas, fully 150 wonderfully schooled trick horses, 700 men and women performers, 100 clowns, and scores of features—the price of admission is no more than before. And though the trained animal numbers and the immense horse show were circuses in themselves while touring Europe, they are not offered as separate attractions by the Ringling Brothers and Barnum & Bailey combined shows. Instead all are on one gigantic program. Everything is in one mammoth main tent. One ticket admits to all and includes admission to the tremendous double menagerie.

There are more than a thousand animals in the zoo of this circus and these include a tiny baby hippopotamus only recently born, and accompanied by its three-ton mother. Another rare sight, a zoological feature not known to exist and for which the Ringlings recently refused an offer of \$300,000.

F. H. S. Graduates Get Diplomas. A good house greeted the graduates at their commencement exercises which were held at the M. E. community hall Thursday evening, June 23rd.

Eleven seniors were graduated. The address given by Supt. Harvey Lowry of Springwells, was an inspiring talk with lots of good advice to the young people starting out in life and was thoroughly enjoyed by the audience as well as the graduates. Supt. Leonard addressed the class and assured them that he had faith in their ability to step out and make something out of life.

The diplomas were presented by Miss Esther Boynton, with the invocation by Rev. S. D. Eva.

County Threshers Meet.

Oakland County Threshers' association met Saturday afternoon in the commission chambers of the city hall for a discussion of conditions affecting their work and to settle upon prices for the fall's business.

It was decided that no changes would be made in existing prices for threshing, but the schedule set last fall would continue in effect until further notice.

Mr. Colmeyer of the State Threshers' association spoke briefly on the work of that body and reviewed conditions in the industry over the state which he said was in pretty good shape.

Members of the Oakland association are optimistic over the prospects for a good business in August, and September when harvests open up for threshing. A good grain crop is anticipated, they say.—Pontiac Press.

Joe Congdon of Detroit spent Saturday and Sunday with Forest Green.

Big Celebration July Fourth.

Oakland County American Legion posts have planned a big celebration for July 4th, at the Milford Fair grounds, according to announcement of the details of the day's program, made today by Frank T. Vincent of Milford, chairman of the program committee.

There will be "something doing" all day long, Mr. Vincent says, starting with the baseball games for the county high school championship, at 10 o'clock. At 1 o'clock in the afternoon the Clyde and South Lyon baseball teams clash and at 3 o'clock there will be a game between the Royal Oak and Birmingham Legion teams. The award of the high school silver championship cup will be made immediately at the conclusion of that game in the morning.

Beginning at 1 o'clock there will also be a series of horse races, both trots and paces, and some fast encounters are expected. Automobile races will follow the conclusion of the horse racing events, and the Legion promises that Bob Berman, well known race driver, will be one of the features of these events. Twenty horses are already entered in the harness events, Mr. Vincent asserts.

There will be a parade at 5 o'clock after which a big sham battle in which Pontiac military companies will participate as well as an aeroplane. The personnel of the "fighting" units will be two full companies; one a machine gun and the other, the ordinance company of Pontiac, besides 100 former service men. This feature is slated for 7 o'clock.

All afternoon and evening three bands will play, the Pontiac High school band, Milford band and the Royal Oak-Pontiac drum and bugle corps.

Fireworks will be provided for the late evening.

A lot of fun is anticipated through the plans for a "kangaroo" court and those who attend are "warned" to watch their steps, or be fined.

Pontiac's crack drill team from the Woodman order and the Pontiac Machine Gun company will be seen in exhibition drills on the fair grounds.

Nine Oakland County American Legion posts are interested in the affair, Mr. Vincent stated.

Will Line Up Farmers

A membership drive to start Aug. 1, and cover the entire state, was announced recently by the Michigan state farm Bureau. A thorough canvass of every county will be made, it was said, in the hope of getting the farmers of Michigan solidly lined up behind the organization's legislative and agricultural program.

In a drive three years ago, nearly 100,000 members were secured. Many of these memberships will expire this year.

Spraying With Kerosene Remedy Against Lawn Ants

To get rid of lawn ants entomologists of the United States department of agriculture suggest drenching the nests with boiling water or pouring in a small quantity of kerosene oil. Similar treatment may be applied to nests between or beneath paving stones. Spraying the lawn with kerosene emulsion or with very strong soap wash is also recommended. For large ant nests disulphid of carbon injected into the nest by means of an 61 can or a small syringe is recommended to kill the ants. The fumes of disulphid of carbon have a very disagreeable odor and are inflammable, but they are not injurious to higher animals in the open air.

Mrs. William Adams.

Mrs. William Adams died at the Pontiac hospital Monday, where she had been for treatment for the past 12 years.

Mrs. Adams is a sister of Mr. William Irish of this place. She leaves two sons, Merlin of Farmington, and Dale, who is living with an uncle near Birmingham, and one daughter, Mildred, who has made her home for several years with her uncle, William Irish and wife. Funeral services were held from the Irish home Thursday at three o'clock, with burial at North Farmington.
