TROLLEY BOWLING LEAGUE MEETS

Farmington, Northville Redford and Plymouth Represented— Elect Officers

At a meeting held Friday of last week arrangements were made for a Bowling League, consisting of the following towns: Farmington, Northville, Plymouth and Redford, to be represented by two teams from each town.

Starting this, Thursday, evening at 8:00 p. m. and running until April 19th, games will be bowled each Thursday, evening throughout the season.

The officers of the League are as follows:

President—H. S. German, Northville.

Vice-president—E. S. Grace, Farmington.

Secretary—Treasurer—J. C. Clark, Farmington.

SUPERVISORS APPROVE BUDGET SYSTEM

Approval of the budget system for handling county finances was given by the board of supervisors at its session Monday afternoon, the first day of the October session of that body. Supervisor F. G. Ely offered a motion that the budget system be adopted and that no money be removed without written consent of the ways and means committee.

When submitted to a vote the proposal carried, by a vote of 23 to 3. Supervisors Monroe G. Dunlap of Oxford, Andrew Seely of Rose, and Samuel Ormiston of Holly, having voted in the negative.

Supervisor R. W. Clark of Pontiac explained to the board that the state and national government now use the budget system and that most cities handle their finances in this manner. He said it has a tendency to cut expenses in all departments. By apportioning the county expense under department heads it is possible to limit every department to a given amount which must not be exceeded. Under the county's former system the money was placed in the general fund from which it could be taken for any county purpose.

LESTER HARGER MAKES GOOD ON ALBION TEAM

Against the Normals, Coach Miller will put up pretty much the same front that turned back the Aggie attack. The Methodist leader put up a team against Mr. A. C. that had only five of last year's veterans on it and the showing of the freshmen on the squad was highly pleasing to the local coach. The fear that Albion would have difficulty in filling the shoes of Bullen and Harop at ends has been dispelled in the fine showing made by Kreege, Howell and Harger.—Sport section, Detroit Free Press.

Lester played here on the High school team in the fall of '20 and made an excellent record, as did the entire team. Dallas, his brother, has also made the squad, which is considered unusual for a freshman.

Mr. and Mrs. Delmer Stearns motored to Alpena last week. Miss Pearl Stevens returned home with them and is spending the week with them and another sister, Mrs. Lancaster.

WILL TAKE MOTHER TO LAPEER HOME

Mrs. Ella Long Sage, aged 23 years, of route No. 1, Farmington, was arrested yesterday afternoon by Mrs. Jeannette Lyos, girls' protective officer, and Deputy Sheriff Lorne Bird, and is now being held in Oakland county jail for admission to the Michigan Home and Training School at Lapeer.

Mrs. Sage, who has been under arrest on two former occasions, the last time on a charge of marrying while feeble-minded was committed to Lapeer some months ago, but not until now has there been room for her. She is the mother of a four months old baby which will probably be cared for by the state, according to county officials.—Pontiac Press.

OAKLAND COUNTY SPORTSMEN MEET

Sportsmen from all over Oakland county attended the annual banquet held by the Oakland County Sportsmen's association at the Wilson Foundry cafeteria on south Saginaw street on Wednesday evening. During the afternoon there was an exhibition of rifles, sporting goods and trophies. This was held in the same building, and adjoining the banquet hall. The committee had arranged an excellent menu for the meal, which was in itself self style.

There was a business session with reports by the officers and election of new officers. Dan A. McGaffey, president of the association then introduced Rev. S. D. Eva of Farmington, as toastmaster.

The program was as follows: Response by toastmaster; song, Dr. C. J. Sutherland, Clarkston; "The Izaak Walton League—Defender of Americans" Outdoors, Will H. Dill, Chicago; song, Dr. Sutherland; "America's Greatest Need," Dr. Preston D. Bradley, Chicago; motion pictures provided by the Kleist Amusement Enterprises, Incorporated, and by James McGilivray of the Michigan Department of Conservation.

A public reception under the auspices of the Parent-Teachers' association to the teachers of the Farmington Schools was given last Thursday evening in the High school building.

The first of the program for the evening was to form a receiving line, thus giving all a chance to meet and shake hands with the teachers. Miss Emily Butterfield had charge of the social program, consisting of interesting games, after which Mr. Wesley introduced the speaker of the evening, Rev. Sidney D. Eva, who expressed the welcome to the teachers. Supt. Leonard replied, and expressed appreciation for the welcome and assured the public that he and his staff would give their best efforts to the up-building of the school.

LOCAL HIGH TEAM DEFEATS N. H. S.

In Closest Game of Season—Score 7 to 0—Next Game at Wayne Friday, October 13

The game between Northville and the home team last Friday was the closest although not the hardest game played so far this season.

Northville put up a harder fight than was expected. F. H. S. in the back field kept the line hard but the line failed to open, he holes that they should have, due to insufficient practice. Coach Westcott promises them a very strenuous practice before the next game which is at Wayne.

The score with Northville was seven to nothing. A Northville man caught a forward pass behind the goal line but as he was off the field it did not count.

The line-up was as follows: Left end—Clark. Left Tackle—Allyn. Left guard—Walters. Center—Sajow. Right guard—Schermerhorn. Right tackle—Wixom. Right end—Habermehl. Quarterback—Quinn. Left Half—Harmen. Right Half—Stamen.

Full back—Lorenz. The star of the day was Capt. Lorenz, whose wonderful playing was the feature of the game.

The game with Wayne begins at three-thirty.

On Monday evening, October 9, a few young people gathered at the home of Jane Hamilton for a surprise party. The evening was enjoyed by dancing and playing games. After which refreshments were served. The evening was greatly enjoyed by all present.

On Thursday evening, October 5th, a few young people met at the home of Alice Clare, in honor of her 17th birthday anniversary. The evening was enjoyably spent in playing games. Later refreshments were served. Alice was presented with a beautiful photograph album. The guests all departed, saying that they had had a very enjoyable evening.

About 200 people attended the teachers' reception given by the Parent-Teachers' association in the High school gymnasium. The gym was prettily decorated with autumn leaves and flowers, many posters adorned the walls. After everyone had passed down the receiving line an indoor track meet was held. The following schools participated: Redford, Detroit, college, Clareville Theological Seminary, Northville University, Novi State Normal and the Walled Lake Law School, in which the Novi State Normal was victorious.

The first event was the hammer throw won by the Walled Lake Law School. The second was the standing "broad grin" won by the Northville University. The third was the "shot put" won by the Clareville Theological Seminary. The fourth was the "5-yard dash" won by the Novi State Normal School. The fifth was the ten-yard dash won by the Clareville Theological School. Rev. Eva, personally giving the spirit of Farmington, gave a welcome speech and Mr. Ford responded to it by a short address. Puns and wafers were served and a good time was enjoyed by all.

JOSEPH BRYDON SERIOUSLY INJURED IN ACCIDENT

Two automobiles in a rear-end collision crashed into a third car driven by Joseph Brydon, 31 year old, of Farmington, on Grand River avenue, two miles west of the seven-mile road, Wednesday night. Brydon, the only one hurt in the smash sustained a fractured skull and may die, said physicians at Highland Park General hospital where he was taken.

Brydon was in the lead, all three cars proceeding west on Grand River avenue. The car behind him was that of Frank Knowlton, 1744 Second avenue, and the rear car that of A. J. Scovel, 5912 Grand River avenue. Scovel collided with Knowlton's car, and the latter car was pushed into Brydon's machine. Scovel said that Knowlton had no tail light.

After the crash an east-bound interurban hit Scovel's car, badly damaging it. The accident was reported to the prosecutor's office today for investigation by Deputy Sheriff John H. Spring of Redford-Detroit Free Press.

As we go to press Mr. Brydon is very low and physicians say he has only one chance in a thousand to live.

NEW FATHER AND SON DATES

For over a year a movement has been on foot over the entire country to change the Father and Son celebration from spring to fall, and a careful survey reveals the fact that the large majority prefer a fall observance.

The dates Nov. 12-19 have been selected. International organizations of church, Sunday Schools, Scouts and Y. M. C. A.'s are co-operating in the establishing of a unified date and laying plans for even greater celebration than occurred last year.

A newly organized Michigan Council of Religious Education, which was the outgrowth of the old state Sunday school association, is making quite elaborate plans for the observance in Michigan. State denominational leaders at their meeting in Detroit last fall recommended the November dates.

The county Y. M. C. A. headquarters, which have been in the past more or less of a clearing house for information regarding Father and Son celebrations, will be glad to supply any information or secure material for adequate celebration of the idea.

6TH ANNUAL NORTHVILLE FAIR WAS HUGE SUCCESS

The sixth annual, Northville Wayne County Fair closed Saturday along about midnight and it was the opinion of all that it had been the best and most enjoyable one yet given by the fair association. In point of attendance it exceeded any previous year and in the manner and arrangement of exhibits and displays far excelled all former efforts. Visitors from far and near were enthusiastic in their praise of the several exhibits and heartiest congratulations were showered upon the fair officers and superintendents for the part they played in making the annual gathering such a success.

The weather for the entire week was most ideal and nothing occurred to mar the pleasure of the affair in any way. The crowds were happy and each individual seemed bent on seeing all they could and having a good time, and if one may judge from the happy, care-free expressions upon their faces, it is a safe guess to declare all were satisfied. It was indeed a proud and happy week for Northville for many exhibitors and sightseers who came for the first time, declared their intention of returning next year, and many were kind enough to say they had never seen as good exhibits at any county fair before. In fact some of the more enthusiastic ones declared Northville had beaten the Michigan State Fair in many of its exhibits, notably in the fruit and poultry displays, and the automobile exhibits.—Northville Record.

The roasting process will be on the vacant lot next to the Record office, where the concessions will mostly be located also. Dancing on the pavement immediately around will also be indulged in by all who enjoy it.

The Grotto Band of Detroit has been engaged for the occasion which assures the best of music. All concessions will be in charge of Masons and there will be plenty of them, including ice cream, soft drinks, etc.

There will be speeches, singing and other things to entertain but we are unable to give the names of those who take part in his section of the program.

The last thing on the program will be the drawing of the grand prize, a new Ford car which is now on exhibition in the Burgess garage.
