For the Good Old Car

Your car may be as good as gold
mechanically—may run like a top. But
how about her dull, marred body?

Doesn't she deserve a new suit of
clothes? Or at least some neat patching
here and there?

Patton's Auto-Gloss

—a can of it in one hand, a brush in the
other—and pretty soon the old car is glossy
and trim again.

Auto-Gloss gives a perfect, smooth, brilliant
finish and is mighty easy to apply.

Let us show you color cards and sell you a
small can to try out.
