

rain water is obtainable, employ it, as less scale and deposit will result. less scale and depositivell result. The exhluter openings always should be kept clean. Keep mid from re-maining in thom, as it cuts down rad-ing and presents proper cooling. Yes howing excessionally dues to any done by disconnecting both the upper and soiver inder the thomas and soiver inder the lowing fresh wiles to find the nuper lowing fresh wiles to find the nuper noter, and fow dury through the rad-noter, and only the lower holes. The motor water, lackets 'any be due out the lower holes.

SECKEI OF SMUUTH KUNNING Improvement Due to Improved Ma-terials agd Design and More Scien-terials agd Design and More Scien-the Lubrication. Whether, the Improved materials due to improved materials and design or to more scientific lubrication is somewhart of a hone of contention at present between the automobile manu-facturer and the makers of lubricanty. Each cleams the liker's share of the eredit. The answer ought to be Therfe, shirt no Hon's sbare' and split the redit fifty-fifty.
