

# 'A COMMON COLD DESERVES YOUR PROMPT ATTENTION'

## TAKE FATHER JOHN'S MEDICINE

"A common cold deserves your immediate and serious attention"—So writes a well-known physician, in pointing out the danger of neglecting a cold. "Early treatment of a cold will spare you days of suffering and danger," he says. Doctors will tell you that colds are very likely to develop into serious and even fatal diseases if they are neglected. Many doctors prescribe Father John's Medicine because they know it has had over 68 years of success for colds and coughs. It builds new strength to throw off the cold and prevents its development into more serious trouble. No drugs—all pure food.

Through this I became a nervous wreck and was so weak and all in I could not do my work. Head backache and pains in my side. Neither the doctor's medicine nor any other seemed to touch my case or give me any relief. ## Wreck survivors tell how tobacco kept them going

### When food and water gave out on third day, they smoked until rescued

Perhaps they were only pirates of the sea, and deserved no great charity from the hand of Fate. Nevertheless, they were very much human beings when they found themselves miles out to sea adrift in an open boat.

With two days' supply of food and water, they suddenly expected to be rescued in plenty of time. But when the third day passed and no friendly sail appeared on the horizon, it began to look like a case for Davy Jones's locker.

One of the victims, crazy with thirst, suggested that they divide a bottle of iodine and end the agony quickly.

"The tobacco hasn't given out yet," said another. "Let's stick it out a while longer." And they did.

Late in the afternoon of the fifth day a tramp schooner saw their distress signals and came valiantly to the rescue.

"The only thing that kept us going at all was tobacco," one of the survivors admitted when he was safely deposited on dry land again. "We smoked and chewed, and that sort of kept us up."

Tobacco is certainly a poor substitute for food and water—but under the stress of trying circumstances smoking a pipe

Pipes filled with Edgeworth probably have no more soothing effect than pipes filled with other tobaccos, but most Edgeworth smokers somewhat they need Edgeworth to get complete pipe satisfaction.
