Suitable styling

Suits, in sassy new variations, are still as popular as ever. A new twist is the look of city pants. In the top photo, a Perry Ellis culotte (\$76) is combined with an Ann Taylor Studio blazer, \$110 and an Adrienne Vittadini cotton knit sweater, \$56. All available at Ann Taylor, Somerset Mall, Troy. (Photo by Dwight Cendroweki)

Another version of the culotte in an ensemble from Mary McFadden's "The Vermillion" collection for spring. The long sleeve turquoise silk blouse combines with mocha silk and linen culotte accented at the waist with a rose suede sash. The signature quilted jacket is in the new three-fourths length. The jacket is Egyptian silk gauze with an enlarged mosaic motif in magenta and deep wisteria with turquoise and ivory. Shown at Saks Fifth Avenue, Troy. (Photo by Dick Kelley)
