

# More for the kiddies

Storm Kirchenbaum is wearing a one-piece playsuit in 100 percent cotton by Wibbles. It's a take-off on a European line and has mix and match additions which coordinate. The unisex outfit has different stripes for fanciful mixing and stresses comfort.

Betsy and Jennifer are ready for spring. Betsy (left) plays princess in her ballet tutu with delicate painted design by Donita, available for infants and up. The tights, slip and T-shirt all match in a feminine playset. Jennifer is ready to spade the garden in her Pierre Castel baggie jeans with Petit Beateau shirt, especially applied for Rainbow Lollipop with vari-colored hearts. She adds a hand-made porcelain heart pin as a barrette and sports a purple matching heart belt. Her shirt is orange.
