## Warmup tips

Here's a helpful hint on warming up from the United States Twirling Association — use the same muscles in the way they will be used when you exercise more vigorously. This increases the resistance to injury. Warm up for baton twirling by twirling slowly, for racquetball by hitting the ball slowly, etc. etc.

Today is the first day of the rest of your life.

**Give blood,** so it can be the first day of somebody else's, too.

Red Cross is counting on you.
