Physician honored

Eight Providence physicians who have served on the hospital's medical staff for a total of more than 260 years will be honored at the third annual Friends of Providence dinner, May 9 at the Detroit Plaza Hotel.

Providence medical staff in 1967 and as chief of surgery from 1974 to 1977. He was president of the Detroit Board of Health in 1955.

He is president of the Board of Directors for the St. Francis Home for Boys, a diplomate of the American Board of Surgery and a member of the American College of Surgeons and Academy of Surgery of Detroit. He received his medical degree from Wayne State University in 1943.

Included among the honorees is Dr. John F. Colant of Farmington Hills. He has been associated with Providence Hospital since 1949 as a general surgeon. He served as president of the

Gets safety award

Arthur DePodesta of Farmington Hills was recently named "Safety Professional of the Year" by the Michigan Safety Conference. Since entering the construction industry 45 years ago, DePodesta has been active in accident prevention. DePodesta has been with J.A. Fredman as safety director since 1972.

In the running

Karen Lindenmuth, a senior at Farmington High School and Junior Achiever from the Redford business center has been selected by Junior Achievement of Southeastern Michigan to apply for a fully-paid, four-year college scholarship offered by the Walt Disney Foundation. Winner will be announced this month.

Looking good

How the Spa helps you Shape Up!

If, like these Spa members, you're really serious about trimming off embarrassing excess pounds and inches and want to get in shape — you belong at the Spa! No matter if you need to lose 15, 25 or more pounds, whether your problem is spreading hips, bulging thighs or a lost waistline there's a personalized Spa program that will help you achieve the "looking good" new you in record time.

Joan Cunningham knows what job related tension can be like. As a respiratory therapist, she needs all the relaxation and unwinding facilities the Spa can provide — not to mention the benefits of weight and figure control. Flagued with back tensions, it's the Spa to the rescue for Joan after a tiring day at the hospital.

Larry Conaway is 44, but he looks 33. The reason? He originally carried around 265 pounds with a 44 inch waistline. A regular Spa program helped Larry trim off 105 pounds! He's now a slim 160 pounds with a sleek 33 inch waistline. How's that for shaping up! Now, he looks at least 11 years younger!

See for yourself how the Spa can make a difference in the way you look and feel. Drop in today for a free courtesy visit. First you'll receive your own individual Free Figure/Fitness Analysis. Then you'll enjoy a complete Spa program using hot whirlpool spas, Finnish sauna, swimming pool, Arizona desert dry heat and inhalation room and over one million dollars in facilities and fitness equipment at each Spa. Your results are accomplished by our exclusive Spa programs & nutritional guidance.
