**DIVISION
CONTROLLER**

CONTROLLER

We're a progressive, growing distributor of business products and have an immediate need for a Division Controller. This key position involves responsibility for the entire accounting function...including accounts payable, receivable, billing and payroll. In addition, this position functions as chief budget officer for the Division.

If you're the ideal candidate, you'll possess a Bachelor's degree in Accounting (or Business Administration with an Accounting major), two or more years of supervisory experience, and a maturity brought about by accounting/financial expertise.
