

"Wild Oats" at the Hilberry Theatre features Mark Tymchyshyn as Jack Rover, the young actor; Richard Buzinski as his friend Harry, and Sara Morrison Barnicle as Lady Amaranth.

## Hilberry doing classic comedy

"Wild Oats," an 18th-century comedy by John O'Keefe, continues in repertory through May 24 at Wayne State University's Hilberry Theatre.

The plot of "Wild Oats" concerns a young actor, Jack Rover, who assumes the identity of his friend Harry Thunder in order to court a young heiress, Lady Amaranth. Complications rise when Thunder's father arrives to promote a marriage between Lady Amaranth and his son, and Harry shows up while sowing his "wild oats."

A secret marriage, an outwardly pious but inwardly lecherous servant and a stage-struck girl add to the confusion.

The author of "Wild Oats" was one of the most popular comic writers of his day and was sometimes referred to as the English Moliere. The play was recently rediscovered and produced by the Royal Shakespeare Company. It has had successful productions in both London and Washington D.C.
