We're the best kept secret in Detroit!

Although there's nothing secretive about being the 4th largest pizza company in the country, (in terms of pizza sales) we've grown so fast, at a rate of over 40% each year, that many people still may not know about us.

When they find out that by investing \$9,500 cash (our total franchise fee) and by qualifying for financing of \$40,000 to \$50,000 they may be eligible for a Domino's Pizza franchise, they want to know more!

They are surprised to find that a franchise relationship with Domino's Pizza includes a professional training program, advertising expertise, site selection and store opening assistance.
