

### Making friends

That's what happened when the students of Farmington Hills Montessori School of Farmington Hills met with their city counterparts who attend Sunshine Montessori School in Detroit. The students learned what it's like to live in a city or in a suburb. They did all the things children making friends do. They ran across the grounds at Mercy Center in Farmington Hills, sang songs and watched the mallard ducks waddle and swim. (Staff photo by Randy Borst)

## City to sponsor N.Y. art excursion

An excursion to the New York City Picasso exhibit is being sponsored by the cultural arts division of Southfield's Parks and Recreation Department.

The tour is planned for June 13-15. It will include round-trip air fare to New York, lodging at the Barbizon Plaza Hotel, two full breakfasts, entrance to the exhibit and all transfers and baggage handling.

It is being arranged as part of the Southfield Cultural Arts development program and will afford residents an opportunity to see the most comprehensive exhibition ever shown of Picasso's art in this country.

More than 970 works in all mediums in which the artist worked will be shown. This includes paintings, sculpture, ceramics, theater and costume design, drawings and prints.

Works from private and public collections from all over the world have been gathered for the exhibition.

For the first time since the establishment of the present galleries, the New York Museum of Modern Art will devote all of its gallery space, including its second and third floors, which are normally reserved for the museum's collection, to this show.

The tour is being coordinated by Marlowe Belanger, Southfield's Cultural Arts Director. She will be assisted by Paula Strickstein, an expert art historian, who will accompany the group.

For more information and price of the tour, call 354-4717.

## Geer alumni called to mark centennial

The Centennial Committee for Geer Elementary School on Ann Arbor Road in Plymouth seeks alumni to help celebrate the school's 100th anniversary. One of the highlights of the year-long celebration was dedicating the school's new belfry, which now houses a replica of an old school bell.

Alumni are asked to contact the committee by calling the school, 453-6289 between 10 a.m. and 1 p.m. weekdays.
