CONVENTION ANGLES:

IA does its conventional straw hat (really made out of plastic, just like a real conventioneer's hat) to pass on this tale of two cars in Motown. Monday afternoon two passersby came upon a young ABC News employee struggling to start a late model white Mercury Cougar assigned to him by a car rental agency. Even with assistance, the stranded newsmen couldn't budge the car. As the two tried to put the car in gear, they looked for a release button on the steering column. Nothing worked. Finally, the ABC'er looked at the key ring of the car and noticed that although the key had opened the Cougar it really belonged to a white Thunderbird. The puzzled visitor got out of the Cougar and lo and behold spotted the T-Bird just two spaces down. T-Bird and employee left the parking lot without any trouble.

THE MAINE delegation, advertising their local business, is decked out in fishermen's hats, the kind of the long, shapely brims. But the Hawaii delegation takes the hat for colorful dress. They're resplendent in muu-muus and Hawaii print shirts. California opted for the urban cowboy look with the appropriate western hats.

DOWN HOME: Keith Mendelssohn of Wayne will demonstrate his own brand of karate from 7:30-8 p.m. July 25 and from 6-7 p.m. July 26. The demonstration will include an explanation of women's self defense and defense for senior citizens. Mendelssohn, who calls himself Master Mendelssohn, established his karate style in 1974.

THE FARMINGTON YMCA will host a free soccer clinic for persons from 6-16 years old. The clinic will begin at 6 p.m. July 21 at O.E. Dunkel field on 12 Mile near Farmington Road. The first 300 persons will receive a Detroit Express team picture and pennant. Every youngster in attendance receives a free ticket to an Express game on July 30. Parents can purchase family tickets at

a discount through the Y. The soccer clinic, conducted by Steve Sargent of the Express will consist of games and drills. For further information call the Y at 553-4020.

SENIOR CITIZENS can have their pictures taken for ID cards registering them in the Oakland County Senior Discount Program.

The photos will be taken in August at the following locations: from 9:30 a.m.-12:30 p.m. Aug. 14 at Mature Minglers, 1060 Vaughn, off of Long Lake Road, east of Telegraph in Bloomfield, call 644-6666; from 9 a.m.-noon, Aug. 25 at Lakes Area Multi-Purpose Center, Old Novi Elementary School, 26350 Novi Road, call 349-3788.

THE TRADITIONAL family reunion lives on in Farmington Hills at the household of Robert Schwenck. He hosted 150 of his relatives, including persons from California and Florida for the family's 20th annual reunion. They can trace their family to Captain James Purdie of Plymouth who was a member of the 15th Michigan Infantry during the Civil War. Members of the family have been involved in such projects as the building of the old Wayne County Building in Detroit, behind the new City-County Building.

DEAF PERSONS are offered a special telecommunications service through Bell Telephone. By dialing toll-free, 1-800-855-1155, users of Bell telecommunications devices can reach a special operator to help them with person-to-person calls, collect calls, credit card and third number calls. Deaf customers will have 24-hour directory assistance through this service.

The system uses a typed message to communicate with the caller. Deaf travelers will be able to place calls from public coin telephones and from hotels and motels that have dial phones in their rooms.
