Most people don't have cancer.
But everyone has questions.

That's why we've trained special people who try to make it as easy as possible for you to talk over the phone. People who are friendly, yet talk frankly about any cancer concern you may have.

They're your own reliable, up-to-date cancer information center. And they answer hundreds of questions every day. Questions about things like symptoms, causes and terminology. They'll talk with you even if you're just feeling uncomfortable about something you've read, or heard or seen.

And better yet, it's all confidential. It's all free.

When you have a question about cancer, no matter how big or how small, call us toll-free. That's why we're here.
