These days, there are more savings options than ever before. But not all of them guarantee their rates for as long a time. So you can wind up with high interest today. But tomorrow may tell quite a different story.

We guarantee your interest at First Federal.

All First Federal certificate interest rates are guaranteed to remain at a high level throughout a set period of time, no matter what the money market does.

Equally important, savings accounts at First Federal are insured to \$100,000 by the Federal Savings and Loan Insurance Corporation. And with multiple ownership of accounts, it's possible to provide insurance coverage for a whole lot more. We'll gladly show you how.

Your money—and our people—are working close to you.

When you save at First Federal, your money remains conveniently nearby. So if you suddenly need to use it, you can quickly and easily make a withdrawal at any of our more than 50 branch offices.

Whenever you need information or assistance, we have people standing by in your neighborhood to help you.

All savings places aren't created equal.

Some of today's new savings plans make good sense for some people. However, we feel ours are unique in combining high interest and the security most savers desire.

So the choice is yours. You can take the risk of earning other kinds of high interest. Or you can relax with the confidence that you're collecting ours.

*Federal regulations require a substantial penalty for early withdrawal from all certificate savings accounts.

***Interest is compounded continuously.
