

Virgil Dooley: "We'd been having some pretty sloppy practices, but I guess the excitement of being in the nationals pulled them up." (Staff photo by Randy Borst)

Squad rolls to crown

(Continued from Page 1B)

Sue Dooley set records in the senior women's division, going 57.8 in the 500-meter race and posting a 1:53.1 in the 1000-meter. She finished second overall in the division.

All those records are due in part to more sophisticated equipment, according to Susan Theis, editor of Skate magazine.

"Every year the speeds keep dropping," said Theis from her office in Lincoln. "The reason is that the composition of the wheel in the roller skates is getting better and better."

"But that doesn't detract from Bonaventure's skaters. They train hard. They did super well at the nationals."

Jackson placed third overall in the senior men's division. Kataovich, who lives in Sterling Heights, finished third in the junior women's division. Angie Dooley, the coach's 8-year-old daughter, laddered third in the primary division.

THREE BONAVENTURE skaters — Dunn, Jackson and Sue Dooley — have been named to a speed skating team which will represent the United States in the Road and Track Speed Skating Championships in New Zealand in December.

"That's really quite an honor," Dooley said. "It's like the Olympics of roller skating."

"I told them I didn't want to see them for the next two weeks or so as far as training goes. But after that they'll have to start working hard again."

Bonaventure qualified for the nationals by finishing second in a regional tournament in June at the Troy Skate World.
