

Winter looks mighty cozy

Mrs. H. Winter's practical approach to fall-winter designs was inspired both by blankets and the economic crunch.

"I believe women should buy things they can wear for years. When money is tight, women look for all-occasion clothing."

Her blue plaid, fringed blanket suit will warm many a football fan. Yet, the jacket can top a black dinner dress. The skirt teams beautifully

with a blouse or handknit sweater for casual evenings. Jacket, \$160, \$96, at Claire Pearone.

Just in case you don't have the perfect little evening dress for fall, Mrs. H. Winter created a navy blue velvet short dress that flutters around the leg with the help of a flounce which is repeated at the neckline. At Claire Pearone.
