PYRAMETRICS

makes the most of your hair

It looks fuller, falls naturally.

Pyrametrics, the new approach to haircutting for men and women, is gaining popularity rapidly and it's available only at VCG Salon.

The Pyrametrics system isn't a new hairstyle, but it makes any style more attractive and manageable. Each section of your hair is cut to form a base and to support the hair above it. Like laying bricks — if the first course is right the ones above it will follow. The result is hair that looks thick, healthy and natural, hair that requires minimum care.

Wear your hair long or short, curly or straight. With Pyrametrics it's the best look for you. Make an appointment now!
