

# Grid Trojans look tough

This could be the Year of the Trojan on the gridiron.

Clarenceville, which forged a 6-3 football record last season, probably returns more experienced people than any other team in the area.

"It looks good," conceded coach Ralph Weddle. "We've been playing kids as sophomores and now they're seniors. We have kids who've been lettered at every position."

The Trojans lost all three games last fall by a total of 12 points. Weddle is thinking of a perfect season this year and a possible berth in the Class B state playoffs.

"We'd like to go undefeated. If we stay away from injuries, we feel we'll have a shot," he said.

The presence of many talented athletes enable Weddle to make those kind of statements without seeming brash.

The entire backfield returns.
