LEGAL SECRETARIES

Dear Legal Secretaries:

You say the kids need new shoes for school, your husband is laid off, and the washing machine finally bit the dust.

If you're an experienced legal secretary with excellent skills, we can ease the burden by placing you in a temporary legal assignment in your area.

Register with us on an "on call" basis. In order to qualify, you must come for an interview, take a dictation & typing test and pass it, as you must do in any reputable agency. Explain your previous legal work history, and the specialties that you learned to perform comfortably. After that, you'll be on your way to peace of mind from financial worries that will strengthen your mental health, ease the family burdens, and bring you into contact once again with the wonderful legal world of business.

If you have an questions about attempting free test, please call and set for a chat. You can have a frank and confidential discussion with her by phone prior to setting up an interview.

In the meantime, best wishes for your future. We look forward to meeting you.
