

INSIDE ANGLES

BY LOUISE OKRUTSKY

AS RESIDENTS prepare to go to the polls tomorrow, the young voters at Beahan Junior High School, Farmington have counted their ballots already. The seventh- and eighth-grade students and teachers cast 65 percent of their 385 votes for Ronald Reagan. John Anderson came in second with 13 percent of the vote and President Jimmy Carter pulled in 12 percent. Seven percent of the voters abstained, according to eighth-grade history teacher Patricia Golombek. The voting was a class project for the two grades.

VOTER INFORMATION: can be obtained on cassette through the Farmington Hills library on 12 Mile (553-0300). The cassette deals with Michigan's seven ballot proposals. Copies are available free of charge to persons with vision or other physical impairments which prevent them from reading normal-sized print.

One cassette, entitled "Ballot Proposals '80" was compiled by the League of Women Voters of Michigan and contains the text of the seven ballot proposals with background information and statements for and against each issue. A second cassette, "Council Comments," records information on proposals A, C and D from three issues of a newsletter prepared by the Citizen's Research Council of Michigan.

The Library for the Physically Handicapped housed in the Farmington Community Library on 12 Mile west of Orchard Lake Road provides free of charge more than 15,000 recorded books and magazines for adults and children as well as the equipment needed to play the recordings.

VETERANS DAY is Nov. 11. The U.S. Post Office will run on its holiday schedule. There won't be any regular residential or business mail on that Tuesday. The service windows will be open from 8-10 a.m. but financial transactions won't be carried out. All business collection boxes with the large 5 p.m. decal will be picked up after 5 p.m. Normal service resumes Nov. 12.

WELL RINGADING DING the Bell System, which brings us all those oh-so-sentimental commercials, has instituted gift certificates just in time for the holidays. Ma offers the certificates in denominations of \$20, \$25 and \$100. Buyers can pay cash or charge the purchase to their home phone bills. The certificates can be used at Bell offices across the country. The certificates can be used to pay phone bills or toward the purchase of phone at a PhoneCenter shop. (Will this be a trend? Maybe Edison will give certificates toward the cost of an electric bill. How about certificates for our water bills?)

THE OAKLAND COUNTY Circuit Court has modified its jury system to shorten the obligation of citizens called to serve on jury duty.

WHY YOU SHOULD VOTE

PROPOSAL 'A'

YES

ON

BETTER SCHOOLS WITH HALF THE PROPERTY TAX.

PROPOSAL 'A' CUTS PROPERTY TAX 50% OR MORE BY ELIMINATING SCHOOL OPERATING MILLAGE

This means a property tax cut of 50% or more for residence and family farm owners. Proposal 'A' virtually eliminates all property taxes for senior citizens!

PROPOSAL 'A' REPLACES SCHOOL MILLAGE WITH A FAIR TAX BASED ON ABILITY TO PAY.

Property taxes will be replaced with state-wide taxes on business property, and an increase in the state flat-rate income tax—based on ability to pay.

PROPOSAL 'A' PROVIDES FOR EQUAL PER-PUPIL REVENUES FOR ALL PUBLIC SCHOOLS

...with no loss of per-pupil revenues for any district, and an increase in funds for a majority of districts
...and a constitutional guarantee of local control of schools.

DON'T BE FOOLED

by another tax proposal that could cripple state police, ruin aid to elderly and handicapped, destroy universities and health services... and hurt schools. It will increase your Federal Income Tax.

...or another tax proposal which promises token property tax relief, replaces it with more sales tax, a burden on those least able to pay... and it also hurts schools.
