

Westland John Glenn's girls conquer East

The Rockets of Westland John Glenn aren't slowing down even though they have already wrapped up the North-west Suburban League girls' basketball championship.

Glenn made it 9-0 in the conference, 15-1 overall and 13 victories in a row by defeating Garden City East last week 69-52. Kim Cesarz and Geri Pizzuti each

scored 20 points. Teri Chapo added 12. "The game was characterized by our fast break and quickness and an improved Garden City East team," said George Sommerman, coach of the

Rockets. "We beat them by 40 points before. They've taken some teams to the ropes. "I was real pleased everyone got a chance to play and shoot at the bucket,"

Sommerman added. "We substituted in the second quarter and took the press off early."

Sherril Look led the Panthers with 12 points. Yvonne Muglia scored nine, Liz Tankersley and Patty Boyce eight apiece.

Glenn triumphed in the JV game 34-19.

For years the men's all star leagues in the Detroit area have been ranked with the best in the country. And for a good reason. The averages tell the story and this year is no exception.

Now that the season is well on its way the figures are more convincing than ever. For instance, in the Thursday league at Orchard Lanes 60 of the 80 bowlers are averaging above the 200 mark. Few other leagues can claim such a list.

Heading the list is Randy Pierce with a 228, two pins more than Bob Jawor and three pins more than the two stalwarts from Westland Bowl Bob Goike and Dick Beattie. This is one of the closest battles in years.

On the women's side there is another interesting race going on and two of the area's young stars Aleta Raspecki and Cheryl Daniels are playing the leading roles.

In the latest statistics Aleta is at the head of the list with a 206 average and Cheryl is four pins back at 202. These two are forging further ahead of Cora

Feibig, the bowling queen, who now is hitting the pins for a 194 average. But the two young stars will bear watching the rest of the way.

ONLY TWO members of the classic league at Wonderland were able to break the 700 barrier during the week. This is unusual. The leader of the group was Larry Thompson with a 713 made possible by games of 221, 240 and 252. The other barrier breaker was Bob Edwards who had games of 258, 195 and 253 for 705.

On the ladies' side Lois Hamel was high with a 613 made possible with an opening game of 235. She followed with counts of 189 and 185. Behind her, tied for second place, were Marge Peiper and Barbara Wix each of whom posted 605.

FOR A CHANGE no one broke the barrier at Westland Bowl where counts of 700 have become almost ordinary. This week the high man was Greg Proctor who had games of 243 and 246 in 688 in the Monday morning men's league. His closest rival was Jim Jes-

son with 651. Meanwhile Rich Lebert had a 268 game to pace the men's trio with 670.

In the Wayne Edison loop Tom Frazee had a 259 in 517 and Judy Galec inserted a 269 in 598 in the ladies doubles.

IN THE WOMEN'S league at Woodland Lanes Rene De Ponia turned in one of her best performances. With an average of 142 she connected for a 244

in 568. This was 102 pins over her average.

In the men's competition William Dendard missed the 700 barrier by five pins. He opened with 242, then followed with games of 223 and 230 for his 695.
