Window Quilt insulating panel

This new budget-priced Window Quilt for windows you want to keep covered most winter days and nights.

These attractive panels attach magnetically in seconds to pre-mounted metal strips on your window frames. Like the traditional Window Quilt, the Insulating Panels provide amazing thermal efficiency — five layers of insulation and an airtight seal on all sides.

Designed to fit in 4" x 8" windows.

May be eligible for up to 45% federal tax credit for passive solar installation.
