NEW RELEASES

AIRPLANE (PG). A picture that takes off. This spoof of all those "Air-port" movies is one of the zaniest films around.

THE AWAKENING (R). Silly film about archaeologist and curse of long-dead Egyptian queen.

BAD TIMING/A SENSUAL OBSESSION. Nicholas Roeg's adult drama of pain-inflicting relationship between psychoanalyst (Art Garfunkel) and his lover (Theresa Russell).

DIVINE MADNESS (R). Energetic and electrifying Bette Midler in film version of the Broadway show.

THE ELEPHANT MAN (PG). Largely true story of grossly deformed man rescued from sordid life by compassionate doctor. Fine acting by John Hurt, Anthony Hopkins and John Gielgud balances out directorial shortcomings.

FADE TO BLACK (R). Terror as deranged young man dresses as his movie favorites to re-enact their scenes.

FIRST DEADLY SIN (R). Cop searches out killer responsible for series of bizarre murders. Frank Sinatra and Faye Dunaway star.

GLORIA (PG). Gena Rowlands plays it straight as ex-mobster's girlfriend who knows how to handle a gun, which she uses to protect boy whose parents have been murdered.

THE GREAT SANTINI (PG). Robert Duvall as Air Force pilot and dominating father in strong story of family conflict and love.

HOPSCOTCH (R). Chemistry of Matthau/Jackson pairing works again, but we don't see them together often enough in this halfway humorous (first half) film.

IT'S MY TURN (R). Jill Clayburgh in humorous story as independent woman (again) who falls in love with ex-baseball player during weekend in New York.

LOVING COUPLES (PG). A comic look at foibles of contemporary relationships, focusing on the love lives of four sophisticates.

MIDDLE AGE CRAZY (R). Turgid in the family as Bruce Dern turns 40 and goes through midlife crisis that finds him pursuing his youthful fantasies.

OH, GOD! BOOK II (PG). George Burns returns as the Almighty with a new message, Luane, as "Tracey," to deliver his words.

ONE TRICK PONY (R). Paul Simon wrote screenplay and music for film based partly on his own experiences as touring musician.

ORDINARY PEOPLE (R). Robert Redford's directorial debut is a smash in this extraordinarily well-acted, moving film about a "perfect" family trying to cope with a son's mental illness.

PRIVATE BENJAMIN (R). Goldie Hawn joins the army to escape and find herself.

SOMEWHERE IN TIME (PG). Romance with Christopher Reeve and Jane Seymour. Young man falls in love with portrait of a beautiful woman and goes back in time to find her.

STARDUST MEMORIES (PG). Funny, sad film about what it's like to be Woody Allen (Sandy Bates in this movie). Allen joins the ranks of directors who've made movies about themselves making movies.

THE STUNTMAN (R). Fascinating, complex film that "hooks" the viewer as it toys with notions of reality and illusion. Action comedy and mystery on a movie location.

'Rocky Horror Show' lives

After a seven-year run on London's West End, "The Rocky Horror Show" has set its Michigan engagement for Dec. 4-5 at the Royal Oak Music Theatre.

The live stage production is on a tour of North America.

"The Rocky Horror Show" is presented by Michael White, who launched the original London stage show, and by Lou Adler, who with White co-produced the show's feature film version.

This production marks "The Rocky Horror Show's" first authorized tour presentation in the United States and Canada and is mounted by its original creators.

Written by Richard O'Brien, who also wrote the show's music and lyrics, the production is designed by Brian Thomson with costumes by Sue Blane, both repeating their original London show and film assignments. Julian Hope is directing the show for its North American tour.

A SCIENCE fiction parody and romantic satire, "The Rocky Horror Show" combines original rock and roll music with spoofs of American apple-pie innocence and an outrageous cast of stereotypical characters from Hollywood films of the 1950s.

"Rocky" became an unprecedented smash when it opened in London and was heralded as "Best Musical of the Year," continuing its run for seven consecutive years.

Its film version, "The Rocky Horror Picture Show," was released in 1975 and currently continues its late-night stint in more than 200 cinemas around the U.S. alone.

Set in the heart of Middle America, the tale of Rocky's creation by his seductive decadent mentor, Dr. Frank N. Furter, has bred a fiercely loyal following throughout the world.

The "Rocky Horror" phenomenon is well known for its audiences and their offstage garb and participatory antics.
