November 25

Dear Santa,

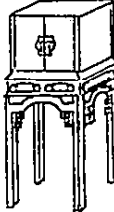

I'm sending you my dream Christmas list... For the man in my life, a handsome Tomlinson writing desk, in light burl wood with hand carved detailing on the legs.

My daughter would adore the miniature Chippendale chair by Georgian to sit by the fireplace and listen for Santa.

A special gift for my very own - a beautiful Chinoiserie jewelry chest by Baker.

You can find everything on my list at Pierson Interior's Gift Boutique.
