

YOU GET GREAT GIFTS AND HIGH INTEREST AT STANDARD FEDERAL SAVINGS

New! Checking Accounts with Interest

Until now, you've never had interest paid on your checking account. But on January 1, 1981, you'll have the chance to take advantage of a brand new service from Standard Federal Savings — checking accounts with interest. In addition to providing savings accounts which pay the highest rate available on insured savings, Standard Federal also offers the opportunity to earn the highest interest allowed on your checking account.

These accounts will earn 5 1/4% annual interest — continuously compounded — adding interest every month to your account for an effective annual yield of 5.467%. This is the highest interest allowed on checking accounts.

You may open an account in any amount. However, with a minimum balance of \$500.00 OR an average daily balance of \$1,000.00, you may write all the checks you wish, with no monthly service charge. (A \$5.00 monthly fee is assessed if you go below the minimum or average requirements).

- Each month you'll receive a detailed statement of your account which lists your checks in numerical order, your deposits, any service charges assessed and the interest earned during the statement period.
- Personalized checks are printed free of charge if you choose not to have your checks returned with your

monthly statement. There will be a charge for printing personalized checks if you wish to have your checks returned to you. With either option, you may select a style that provides a carbon copy of each check for your records.

- A permanent record of each check will be kept by Standard Federal Savings. If you need a copy for any reason, microfilm copies of as many as 25 checks per year (or all checks relating to an IRS audit) will be provided at no charge.

SPECIAL NOTICE TO CUSTOMERS 62 YEARS OF AGE AND OLDER:

Customers 62 years of age and older who have direct deposit of social security or other retirement checks into any Standard Federal Savings account will pay no monthly service charge on their checking accounts.
