

INSIDE ANGLES

BY LOUISE OKRUTSKY

IT'S THEATRE TIME in Farmington Hills and theatregoers have two shows to choose from. "The Improbable Years" at Harrison High and the classic, "West Side Story," at Our Lady of Mercy.

Harrison will kick it off on Thursday, April 2, at 8 p.m. with the comedy about the trials and tribulations of a psychologist-turned-author trying to raise his two teen-age daughters according to the dictates of his latest book — in a modern, permissive atmosphere.

The show will continue on April 3 and 4. Tickets are \$2. For more information call 477-3311.

Maria and Tony will take the Mercy stage on Friday and Saturday, April 3 and 4 at 8 p.m. and April 5 at 7:30 p.m.

The musical about two rival New York street gangs will feature a cast of 45, starring John Bolke as Tony and Jeanne Kolinski as Maria. Tickets are \$3 and can be purchased at the auditorium ticket booth prior to curtain time.

GET OUT THE sneakers and sweatshirts and get ready for Lawrence Tech's second annual 10-kilometer Fun Run on Saturday, April 11 at 10 a.m.

The run is sponsored by the student chapter of the American Institute of Architects and proceeds are used for the LIT Capital Campaign. Entry fees are \$5 per participant for preregistration before April 7 and \$5 after April 7 and on the day of the race.

Last year's run attracted more than 200 participants, who patterned their way from in front of the architecture building on the LIT campus, then along a course through Southfield.

For more information call 556-0200, ext. 31.

GET THOSE SHOPPING carts primed

for yet another supermarket, booster club grocery day.

Making its debut at this fund-raising event will be the team of Kroger at Grand River and Halsted and Farmington High School.

On Monday, April 6, student athletes from the school will carry out groceries for shoppers while the school band plays and pom-pom girls entertain.

Hot dogs and Pepsi will be sold outside the store and the store will be decorated in Farmington High's school colors.

A percentage of the day's proceeds will be given to the school athletic club.

Keep Wednesday, May 20, in mind. That's the day the North Farmington High boosters will team up with Great Scott at Orchard Lake and 13 Mile for its annual shopping day.

FARMINGTON'S GARDEN CLUB has been brightening up both city libraries with attractive seasonal floral arrangements for years and now the garden clubbers have added something extra: A wood pedestal to display the arrangements.

BLOOD IS BADLY needed by the American Red Cross for use by 75 hospitals in southeastern Michigan.

Anyone between the ages of 17 and 65 in good general health can donate. It takes less than an hour from registration to post-donation snack. And the actual donation takes less than 10 minutes.

A bloodmobile will be at Farmington High School 32000 Shawwassee, from 8 a.m. to 2 p.m. on Thursday, April 2. For an appointment, call 474-6155.

If you miss that one, a bloodmobile will be parked at the Birmingham Temple, 28611 12 Mile, from 2 p.m. to 8 p.m. on Thursday, April 16. Call

477-1410 for an appointment.

STOP ACID RAIN has become the battle cry of the American Lung Association of Southeastern Michigan (ALASEM).

Acid rain, caused by sulfur dioxide and nitrogen dioxide combining with rain, is a prime concern of environmental groups.

Attempts to set a national air-quality standard for fine particulates is under consideration. Fine particulates can be breathed in and reach the innermost air sacs of the lungs, according to the association.

Foreign matter, whether fine particulates or cigarette smoke, is injurious to the delicate tissues of the lungs.

For more information on the Clean Air Act (a matter of life and health) call ALASEM at 961-1697.

SPRINGTIME AND ART are a nice combination and to celebrate both, exhibits are scheduled at Livonia Mall and Lawrence Institute of Technology.

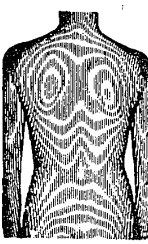

The Paint and Palette Art Club will show their work in the Livonia Mall, Seven Mile at Middlebelt, April 6 through 12.

High-speed photography, holography, a laser light show and computer art are just a few of the hundreds of displays planned for the Lawrence Tech open house on April 11 and 12.

The displays will be open from 11 a.m. to 5 p.m. on Saturday and noon to 5 p.m. on Sunday.

MILLIONAIRES, take note. A Millionaire's Party sponsored by the Women of North Farmington is planned for Saturday, April 4 at the American Legion Hall, 31755 Grand River. Tickets at the door are \$10.

FREE CONTOUR ANALYSIS EXAMINATION FOR VICTIMS OF CHRONIC OR ACUTE PAIN

A free Contour Analysis examination is being offered for people with acute or chronic pain by the chiropractic office listed below. People who suffer with backache, bursitis, arthritis, neuralgia, nerve pain, neck pain, muscle pain, bone pain, etc., are invited to receive this free examination.

Contour Analysis enables taking a three-dimensional picture (called Moire photography) of the topography of the surface of the spine to detect spinal stress deviations. This analysis will be correlated with leg deficiency, patient symptomatology, and levels of spinal tenderness. An analysis of this type can reveal such things as normal and abnormal stress patterns, spinal curvature, muscle spasms, muscle imbalance, spinal distortion, and scoliosis. This analysis, including consultation with the doctor is being offered to the public at no charge for the next 30 days. Anyone wishing to receive this free examination may telephone for information or an appointment.
