

This is Clean Air Week for Lung Association

Clean Air Week, sponsored by the American Lung Association, is celebrated this year May 3-5.

Begun in 1949, Clean Air Week was initiated as a national alert to remind people of the obvious harm caused by dirty air. The first Clean Air Week reminded people of the 1948 five-day episode in Donora, Pa., when 20 persons died, and 40 percent of the city's population became sick as a result of the foul and dirty air.

Red Cross needs blood

Blood needs don't change with the seasons, reminds the American Red Cross. Blood is a year-round necessity for the sick and injured of the community.

American Red Cross Blood Services Southeastern Michigan provides between 950 and 1,000 units of blood each day to the 75 hospitals in the five-county area of Wayne, Oakland, Macomb, Washtenaw and St. Clair counties.

Blood can be donated by anyone between the ages of 17 through 65 years old in general good health. Seventeen-year-olds must have parental consent to give blood. A blood donation takes less than an hour from registration to the post-donation snack. The actual drawing of blood takes less than 10 minutes.

Donations are accepted at the Oak Park Donor Center, 25900 Greenfield, Oak Park on Monday, Friday, 10 a.m. to 4 p.m.; Tuesday, Wednesday, Thursday, 2 p.m. to 8 p.m.; and Saturday, 9 a.m. to 2 p.m. For an appointment, call 968-2255.

At Harrison High School on Thursday, May 14 from 8:30 a.m. to 2:30 p.m. For an appointment, call 477-3311 during blood-drive hours.

Saturday, May 23, St. Paul's Lutheran Church, 28095 Middlebelt Road, Farmington, from 10 a.m. to 4 p.m. For an appointment, call 474-0675 during blood-drive hours.

PHYSICAL THERAPISTS - IN PRIVATE PRACTICE?

Not all physical therapists are employed by hospitals and nursing homes. Some physical therapists have elected to open an office and enter into private practice. The PHYSICAL & ATHLETIC REHABILITATION CENTER is such a practice. You do not have to go to a hospital for physical therapy. Here are five reasons why you should call the PHYSICAL & ATHLETIC REHABILITATION CENTER:

1. PARC has no crowded waiting room or waiting lists for patients needing physical therapy.
2. At PARC you can call for an appointment and be seen immediately.
3. All problems requiring physical therapy can be seen at PARC.
4. PARC takes referrals from any licensed medical or osteopathic physician and podiatrists.
5. PARC is an approved Medicare outpatient UAW Blue Cross therapy center, so most insurances cover the service.
