HOUSE-HUNTING HEADACHES? ... THOMPSON-BROWN HAS THE CURE!

Our exclusive Homes For Living magazine can be a sure cure for your house-hunting headaches.

It shows pictures, prices and descriptions of homes currently for sale throughout this area. So you can tell at a glance which ones may be of interest to you.

And, if you're moving out of town, we have hundreds of different Homes For Living magazines, showing current listings in thousands of communities throughout the United States, Canada and the Caribbean.

And this magazine is just as valuable when you want to sell your home, because it reaches buyers right here, and those who are moving here from out of town. (Did you know they account for more than one third of all sales?)

So when you feel a house-hunting headache coming on, call us.

"ASSUMPTION BUYERS." We have funds to help you assume mortgages that may be too far to reach. Call for details.
