

INSIDE ANGLES

BRUTUS AND BUSTER, the beloved team of oxen Larry and Beulah Dalton of Farmington Hills used to plow their vegetable garden on Orchard Lake Road, have been sold to a Utica ranch owner.

The castrated bulls sold for the asking price of \$3,000 after being on the market nearly one month. New owner Meryl Findley is going to keep and use Brutus and Buster at his Longhorn Ranch, where he rents saddle horses.

The Daltons are now in the market for a couple of pigs to raise for pork. But Mrs. Dalton figures the family will probably grow as attached to the porkers as they were to the oxen and end up with pig pets.

NEWEST MEDIA STARS in town are Shirley Northrop's second- and third-graders from Flanders Elementary School in Farmington.

The kids made Channel 9 News and the Windsor Star when they visited their pen-pals at Walker School in Windsor May 27.

Mrs. Northrop and Sandra Moore, who teaches third- and fourth-graders at Walker, became pen-pals last September, and both classes followed suit. The Windsor group came to Farmington in April, when the return visit was planned.

In Canada, the Flanders students were treated to lunch, a shadow play, a French lesson, songs, games and play in the gym with their Canadian pals.

THREE BROTHERS in Farmington are celebrating three graduations this month, reports

their mom, Betty Quin. The oldest, Patrick, graduated from the University of Detroit Dental School with a DDS. Brother John graduated from Aquinas College in Grand Rapids with a degree in communications and brother James from Michigan Tech with a degree in metallurgical engineering.

"Congratulations, sons, hooray for your perseverance," writes their proud mom, who has another son who will graduate in August.

A son at Farmington High and two daughters, the youngest a junior at Central Michigan University, round out this studious family.

KUDOS TO Bill Wandel, a student at Beechview Elementary School, who won a recent stamp design contest sponsored by the Benjamin Franklin Stamp Club. The contest was open to grades four, five and six. Bill won a stamp album, commemorative stamps and a stamp book.

To see his original design, visit the Royal Oak post office lobby.

GOODBYE, ALAMEDA, a party planned to give the elementary school a proper sendoff, will be held 6:30-8:30 p.m. Friday, June 12, at the school, on Power between 10 Mile and 11 Mile.

Anyone who has had any connection to invited, including teachers, former students and parents. There will be refreshments, a dunk tank and a moon walk. For more party scoop, call 476-1470.

FARMINGTON FOUNDERS FESTIVAL committee still needs volunteers for a number of slots. The committee is looking for persons

interested in obtaining space for an arts and crafts booth or ethnic foods booth (a new festival offering this year). The annual festival will be July 21-26. To get involved, call festival secretary Ronnie Guzik at 531-4422 or write: Founders Festival, P.O. Box 2694, Farmington Hills 48016.

HOMES FOR FRENCH BOYS are needed immediately, said Evelyn Prince, area coordinator for the North Atlantic Cultural Exchange League. Approximately 4,000 French students will live with American families this year, and 100 students are coming to Michigan.

The French students have studied English from four to eight years, and their parents supply pocket money and pay for transportation and insurance. Families don't have to speak French to play host, but hosts are asked to introduce their guest to teenagers. If there are teen-agers in the host family, a reciprocal program will offer them a chance to spend four weeks next summer with a French family.

Families interested in hosting a French boy, age 16 or 17, from July 7 to Aug. 2, should write Mrs. Price at 3452 Buckingham Trail, West Bloomfield 48033, or phone 626-5641.

STOP SMOKING IN ONE 90 MINUTE SESSION
 you'll be hypnotized three times to firmly implant your desire to be a non-smoker into your subconscious mind.
 Nervousness, tensions, and unnecessary weight gain, including little or no withdrawal symptoms, will be the focus of the program.
 This \$35.00 session will more than pay for itself in improved health.
