Volunteers are needed

Volunteers are needed at Providence Hospital Novi Ambulatory Care Center to work at the information desk and in the emergency reception area.

Both summer replacement and permanent weekend positions are available. Men and women interested in volunteer work at the ambulatory care center must be 18 years old and able to commit at least four hours per week on a regular basis. Every volunteer receives training for the jobs they are assigned.

"Opportunities for service exist on weekends and in the evenings, as well as weekdays," says Dorothy Wood, director of volunteer service. "We are finding more working people and married couples wishing to serve as a team interested in hospital volunteer service."

For further information about the Providence volunteer program, call Mrs. Wood, 424-3300.
