STOP SMOKING
IN ONE 90 MINUTE SESSION
Skeptical of being hypnotized? Don't be. It really works. Up to 3 packs a day and just 90 minutes with Sam Curry helped break my habit. No cravings, no nervousness, no withdrawals and best of all no weight gain. I've not felt so good in years. Exercise is easier. It's easier to breathe, food tastes better and life is good.
Sincerely, Deborah R. Gebhard.

SEMTA TRAIN STATION

SEMTA

These days, with inflation running rampant and rapidly accelerating fuel costs closing in, it seems wise for a lot of commuters to take the train. It's a train you may never have seen. Let alone heard. Because it travels where the traffic isn't. Four times daily.

It's the SEMTA Silver Streak. And while it whisks you on your merry way, it allows you to pursue some personal pleasures in the meantime. Like reading the paper. Chating with a friend. Slipping some coffee. Or simply sitting back and relaxing. Whatever, the ride is yours to enjoy as you rush your way to Detroit, Pontiac. And parts in between. Couched in comfortable cushy seats in spacious surroundings that keep you warm as toasty in winter. And cool as a cucumber in summer.

So the next time you have to travel a short distance, or a long one, join the members of the SEMTA Track Team. And start running with the best of them.
