**ANNUAL INTEREST RATE
UNTIL OCTOBER 1, 1981**

Capitol Savings & Loan will pay you an annual rate of 25% on a minimum investment of \$1,000 from now until October 1, 1981.

This high rate is made possible through what is known as a retail repurchase agreement, or REPO, for short. * Your investment in a REPO at Capitol Savings is backed by securities or mortgage loans issued, insured, or guaranteed by the United States government or a government agency. This obligation will automatically mature on October 1, 1981 and cannot be extended or renewed.

*This obligation is not a savings account or deposit and is not insured by the Federal Savings and Loan Insurance Corporation. The investment is limited to individuals and is available to Michigan residents only. The maximum investment is \$50,000. A \$25.00 service fee will be collected for redemptions prior to October 1, 1981. Details are available only in the offering memorandum which is available at any branch office. A non-certificate savings account (NCSA) or savings must be maintained to qualify. Offer is limited and may be withdrawn without prior notice.
