Sure sign of an apartment worth waiting for.

It's a sign you see a lot of at our properties. That's because once people rent with us, they don't want to leave. Loyally like that doesn't just happen. We work hard to give you the best managed, best serviced apartments in Oakland County. You see, the FourNidAble Group just i just another management company. We've actually built most of the properties we manage. We have a big investment to maintain. So we service our buildings and grounds like nobody less in town. It's a 25-year tradition. So if you see a NO VACANCY sign on our properties, come in anyway and put your name on the list. One thing for sure: it's the most popular list in town.
