Barb Dermody tells how to have 'Fun With Fillo'

A little bit of sunny Greece is brought to a class in Farmington Community Center that teaches the use of fillo dough.

Fun With Fillo, with instructor Barb Dermody, runs 9:30 a.m. to 12:30 p.m. Feb. 8.

Fillo is a layered dough, rich and tender, and recognized by most lovers of Greek cuisine in the spinach pie served in Greek restaurants.

Mrs. Dermody has brought many appetizer and luncheon demonstrations to the center. She will prepare spinach pie, using commercially prepared fillo, as well as an entree using basic lamb or hamburger filling. A dessert of apple and honey will complete the demonstration and tasting treat for participants.

Other recipes for appetizers, main courses and desserts, which Mrs. Der-

mody learned while traveling in Greece, will be included in the class for \$8.

History month celebrated

Daughters of the American Revolution (DAR) urge others to join in their observance of February as American History Month. October, 1981, was the celebration of the 200th anniversary of the Battle of Yorktown, when the British surrendered. This month they celebrate the 250th anniversary of the birth of George Washington.

School children across the country are participating in the American History Month Essay Contest sponsored by the DAR.

If you won't read these 7 signals of cancer... You probably have the 8th.

2. A sore that does not heal
3. Unusual bleeding or discharge
4. Thickening or lump in breast or elsewhere
5. Indigestion or difficulty in swallowing
