Call in the cavalry

Residents of Farmington Hills can start looking for this brand-new, \$48,000 dump truck on their streets this week. Although the truck is made for year-round use, it will be especially helpful to those people who are still having a rough time getting around their subdivisions

because of the snow. Walter Karolak, Department of Public Service maintenance supervisor, makes some final adjustments to the vehicle's plow before sending it on the road.

Mathematician Abowd is honored

Greg Abowd of Farmington Hills has been named an award winner by the Michigan Section of the Mathematical Association of America for placing in the top 100 out of 24,000 high school students participating in the 25th Annual Michigan Mathematics Prize Competition.

AND BE RICH WHEN YOU HANG UP YOUR SPIKES.

You don't have to be a sports superstar to retire rich. All you need is an IRA, Individual Retirement Account, from D&N.

You can deduct \$2,000 from your taxable income every year and put it away in a tax-sheltered IRA. Your money accumulates tax free until retirement.

If you start early enough, you could end up rich. If you start later, you'll still have a sizable bundle to supplement your Social Security.

Anybody who works can, and should, have an IRA. You're eligible even if you have a pension plan where you work. If you're a two-income family, you can deduct \$4,000 a year and build up twice as much. If not, you can

contribute \$250 extra for a non-working spouse.

We can show you what an IRA can do for you. And help you choose the certificate that's best for you... fixed or floating rate, or a combination. Get in touch with a D&N IRA expert today. So when you're ready to hang up your spikes, you'll be in great financial shape.
