

Nursing home residents get ready for Jamboree

Volunteers are organizing and pledges are beginning to be made for the fund-raiser Rock 'n Roll Jamboree at Farmington Nursing Home on Monday, Feb. 15.

Farmington Nursing Home is the only such home in the area whose residents will be rocking in rocking chairs and rolling in wheel chairs to earn money for the American Heart Association.

The Jamboree will be held in the home at 30405 Folsom.

"We just received three new rocking chairs from Christ Furniture," said Rose Morgan, the home's activities director who is making the 1:30-4:30 p.m. event an open house.

Some staff members will take turns rocking, and some of resident's relatives have also volunteered for the project.

"We still need volunteers to make it a real jamboree and we still want pledges from the area residents," Ms. Morgan said. "We also want area people to stop in and see how we do that day."

Persons wishing to volunteer or place a pledge are invited to call Ms. Morgan at 477-7400.

Volunteers called for Helping Hands

Farmington Area Parent Teacher Association (PTA) repeats the training sessions it sponsors for volunteers who will be part of the Helping Hands program this year.

Residents in Farmington and Farmington Hills may attend one of three sessions, scheduled at different times in different locations to accommodate all comers.

Police officers from both city departments will conduct sessions.

Inquiries about the program will be taken by Sandy Inch, 474-4464.

OVERWEIGHT VOLUNTEERS NEEDED

Local chiropractors are offering a behavioral modification do-it-yourself program developed by two professors of Health Education at a prominent midwestern university.

Recent clinical studies indicate behavioral modification is almost TWICE AS EFFECTIVE as medical diet programs.

If you'd like to lose 10 pounds or more, you can volunteer today by contacting the doctor listed below.
