

Unbounded by Time and Dream...The Bridal Gown.

The bridal gown as perceived by Ada Athanassiou. With all the charm, the romance, a young girl envisions for it. Will all the grace and beauty a woman hopes for it. And, most of all, embodying all the elegance, the luxury, splendour and joy this fashion of cherished tradition embraces. Silk-faced satin in white is softly sculpted into a

sweetheart neckline that bares the shoulders, into puffed hourglass sleeves gently brieled, and into the majestic flourish of a fully circular skirt and sweep train frilled with cascading streamers. A flowered headpiece on veiling also available to coordinate. The gown, for sizes 4 to 14. In the Bridal Salon—where we are all the things you are.
